

Prava Highback Chair

PRAVA MIDBACK AND HIGHBACK CHAIR:
Create a unique look with silver metallic accents.

Prava reflects contemporary European rectilinear styling with a crisp, tailored profile so fitting and desirable in a conference or executive chair. Silver metallic accents for the base and arms increase the appeal.

Six arm styles include fully adjustable, fully multi-adjustable and loop in silver metallic finish. A matching silver metallic base completes the look.

Soft, plush foam in the center of the back provides ultimate comfort while dense, high-quality foam around the perimeter creates a crisp, tailored profile. Prava is distinctive for its double-stitched detailing.

The midback model is ideal for conference room use while the highback is well suited for any executive. For either model silver metallic accents are a stylish option.
