

Price Guide 2019

SitOnIt • Seating®

Effective September 16, 2019

With the fastest lead time in the industry, SitOnIt Seating® offers high-quality seating that combines award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for build-to-order seating since 1996.

Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder® tool lets you design your dream chair with just a few clicks.

With chairs, sofas and stools for every desk, space and environment, the possibilities are endless.

DESIGN THAT GETS YOU

Discover seating engineered around you. Experience responsive design, supreme comfort and hyper-customizable features—all at value-driven prices.

OUR BUILD-TO-ORDER PROMISE

Custom-designed chairs, no waiting. Our nimble size and lean manufacturing operation means we can ship build-to-order chairs in just two days.

FASTEST SHIPPING IN THE INDUSTRY

Choose from two, five, or 10 day shipping. We cut lead time, sync orders and avoid off-schedule shipments at a rate our competitors just can't match.

WORLD-CLASS SERVICE

We're proud to announce that the Office Furniture Dealer Alliance voted for us as "Best Cust Service" three times in the past five years.

WARRANTY

PRODUCT WARRANTY PERIODS

Exemplis LLC, d.b.a. SitOnIt Seating and IDEON (hereafter referred to as the Company), warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard eight-hour day, five days per week) for the following warranty periods:

LIFETIME WARRANTY COVERAGE:

- All SitOnIt Seating products, except where noted below.

12-YEAR WARRANTY COVERAGE:

- Amplify, Torsa, Wit and Novo used in multi-shift (24/7) applications.
- All IDEON seating and tables.

10-YEAR WARRANTY COVERAGE:

- Non-Stop Heavy Duty, Freelance Bariatric and chairs purchased with a Heavy Duty (HD) or Large and Tall (LT) option used in multi-shift (24/7) applications.

FIVE-YEAR WARRANTY COVERAGE:

- Fabric, foam, knit back, mesh and plastic.

TWO-YEAR WARRANTY COVERAGE:

- Fabric and foam cushioning for Non-Stop Heavy Duty, Freelance Heavy Duty and chairs purchased with an HD or LT option.
- Multipurpose felt glides.

FREIGHT WARRANTY

At SitOnIt Seating™, we take pride in crafting one-of-a-kind pieces. Products are thoughtfully inspected prior to being carefully wrapped and packed for shipment. Upon receiving your order, should your order be less than perfect, please follow these steps for an expedited resolution:

IF DAMAGE IS VISIBLE:

1. Please accept shipment and report damages on the freight bill.
2. Contact SitOnIt Seating Customer Experience to report the issue **within 10 days after delivery.**

IF DAMAGE IS CONCEALED:

1. Save merchandise and packaging.
2. Take a photo to document the damage.
3. Contact SitOnIt Seating Customer Experience **within 60 days after delivery.**

Either way, we are here to help! SitOnIt Seating Customer Experience Team is on standby to assist Monday through Friday, 5:00 a.m. to 5:00 p.m. PST. Call 888-274-8664 or email sitonit@exemplis.com

WARRANTY

THE COMPANY DOES NOT WARRANTY

- COM/COL textiles
- Product abuse or misuse
- Failure resulting from normal wear and tear
- User modification of or attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company's installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions and/or have been subject to improper storage
- Floor samples or display models
- Products purchased "as is" and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will repair or replace with a comparable product, at its option, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid.

This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase.

For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account.

There are no other warranties, expressed or implied, other than those specifically described, including, without limitations, any implied warranty or merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

Warranty claims must be reported within 60 days of any concealed damage. The Company will advise you of the procedure to follow when making warranty claims. Call the Company at the number below to explain the defect. Give your name, address and telephone number. Please be prepared with the model number and sales order number found under the seat of the chair.

SitOnIt Seating: (888) 274-8664

IDEON: (877) 994-3366

SUSTAINABLE DESIGN

We make it easy to go green. Design an eco-friendly room from the ground up or upgrade an existing space to meet the latest environmental standards.

ANSI BIFMA

ANSI/BIFMA CERTIFIED

SitOnIt Seating and IDEON are members of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by BIFMA are approved by the American National Standards Institute (ANSI) to determine the strength and durability of seating. Although testing is not a warranty or guarantee, our products meet or exceed BIFMA and ANSI standards.

LEED CERTIFIED

Earn points toward LEED certification thanks to our U.S. manufacturing location and our use of recycled materials where possible.

GREENGUARD CERTIFICATION

All SitOnIt Seating and IDEON products met the rigorous criteria required by GREENGUARD Gold in accordance with the Collaborative for High Performance Schools.

the sustainability certification program for furniture

LEVEL CERTIFIED

Sustainability matters. That's why we've worked to achieve BIFMA level® certification for all SitOnIt Seating and IDEON products.

THE TAKE BACK PROGRAM

SitOnIt Seating and IDEON help minimize product waste by connecting our customers and dealers with third-party groups who redirect materials that would be headed for the landfill to local nonprofits and public agencies.

WE DID OUR HOMEWORK

Download detailed documents that break down the percentage of recycled content, manufacturing processes and indoor air emissions for every chair we make.

ORDERING INFORMATION

PRICING

All prices are suggested retail and are subject to change without notice. Visit our websites or contact Customer Experience for the latest pricing. Prices in effect at the time of shipment will prevail. We reserve the right to make changes in prices, models, fabrics, finishes, materials and specifications and also discontinue models and options at any time without notice.

ORDERS

Specify model number, quantity, desired delivery date and all other applicable information. Order templates can be found in the applicable Price Guide. Orders will be accepted with an acknowledgment form governing the transaction. In the event an error is made in the manufacture of the product, the acknowledgment will be used as the resolution document. Submit orders by email or fax:

SITONIT SEATING

Email: purchaseorder@exemplis.com

Fax: (714) 995-4855

IDEON

Email: purchaseorder@ideondesign.com

Fax: (714) 995-4855

MINIMUMS

SITONIT SEATING

There is no minimum requirement. Standard transportation freight costs are included in the price of the product.

IDEON

The freight program is designed to be delivered freight prepaid to the designated consignee, based upon a minimum of three or more items. If the shipment does not meet the minimum unit requirement, a surcharge of \$95 net per shipment will be assessed. Multiple orders for IDEON products may be combined to meet the three-piece minimum requirement, as long as all items are shipping on the same day to the same delivery location. Due to different carriers and shipping methods, IDEON cannot be combined with SitOnIt Seating products to meet the three-piece requirement.

QUANTITY DISCOUNTS

Quantity discounts for CAL 133 textiles and some shipping methods are available. See the appropriate Price Guide or contact Customer Experience for more information.

CHANGE ORDERS

Orders that have been scheduled for production may not be changed. All changes on customer orders previously acknowledged must be requested in writing and are subject to approval. Requests for changes are not deemed accepted until acknowledged. In the event a revision is accepted, change fees may apply.

LEAD TIME

We have thousands of carded textiles—including vinyl and leather—that ship in two, five or 10 days. For a complete listing of textile lead times, see the Carded Textile Program section of the [Textile Reference Guide](#) or visit the [Materials](#) tab on our websites. Graded-in, COM and COL orders start production when the textile arrives from the manufacturer.

SITONIT SEATING

Lead time is two, five or 10 days based on the textile. All plastic shell colors are available in two days. Tablet arms require three weeks.

IDEON

Lead time is 10 days. Products specified with stain-to-match have a lead time of 15 days and custom laminates have a lead time of 30 days

Large orders may require additional lead time:

SITONIT SEATING

All orders in excess of 250 units

IDEON

Aviera: 50+ seat positions

Arioso, Cameo, Composium, Envoi, Gobi, Nano, Paséa and

Visit Modular: 25+ units

Orders received by 10 a.m. Pacific Standard Time begin assembly the next day. Orders that are “On Hold” will begin production only when all holds are released. Types of holds include:

- Credit Hold for issues related to billing and invoicing.
- Incomplete Hold if the purchase order is incomplete or illegible.
- Pricing Hold if the price on the purchase order does not match the pricing shown in the Price Guide or in our computer system.
- New Fabric Hold for nonstandard textile orders without an inventory part number.
- Graded Hold is placed by the Purchasing Department while confirming delivery of graded fabric from the vendor.

Customer Experience will notify you of any holds placed on your order.

PRODUCT MODIFICATION

Special requests are available and additional charges will be determined per quotation. Up to five working days are required after the special request is received to prepare a quotation. Contact Customer Experience for details.

ORDERS FOR PARTS

Multiple shipments may occur for orders that include parts. Hardware such as casters or cylinders will ship separately from items requiring upholstery or manufacturing labor. Multiple shipments will also occur if an order combines both parts and new chairs.

PRODUCT AND DESIGN CHANGES

We reserve the right to discontinue product lines, models and parts at any time. We also reserve the right to make changes in design and material when such action is deemed to be an improvement in design, function and/or construction.

ORDERING INFORMATION

CANCELLATION AND RETURNS

Orders that have entered any stage of production cannot be canceled. Request for cancellations are not accepted until acknowledged. In the event a cancellation is accepted, cancelled charges may be imposed for the entire amount of the order. Authorization for return must be requested from and approved by Customer Experience prior to the return of the merchandise. Returns may be subject to a restocking charge equivalent to 40% of the net order plus freight. Unauthorized returns will not be accepted.

SHIPPING

Standard shipments are made via common carrier, unless otherwise specified. Special routing requests made by the customer or the consignee may result in additional charges.

Standard deliveries are dock-to-dock and are scheduled to occur Monday through Friday between 8 a.m. and 5 p.m., based on our published transit times. We will not be held responsible for issues or costs arising from carrier transit delays, missed delivery appointments, etc. We reserve the right to charge for nonstandard customer delivery requirements that may include order deliveries, inside deliveries, etc. For information concerning these charges, contact Customer Experience.

FREIGHT TERMS

Freight terms apply to the continental U.S. only. This excludes Alaska and Hawaii. All standard transportation services and freight costs are included in the price of our products. We ship freight prepaid and allowed, FOB and origin.

Shipments outside the contiguous U.S. are shipped to the point of embarkation free of charge, if the shipment meets the minimum requirement. All subsequent freight charges will be at the customer's expense, shipped collect.

Because of the fluctuation of fuel prices, we reserve the right to impose fuel surcharges for any shipments.

SMART DELIVERY

Smart Delivery provides precise order delivery within a customer-specified date and time window. This special service is available in the contiguous U.S. and includes inside delivery, non-dock delivery, weekend delivery and residential delivery.

Requests must be made prior to an order being scheduled for production. A Smart Delivery fee will be added to the original order invoice. Any changes to a submitted Smart Delivery order will require a new Smart Delivery quote request. Not all change requests can be honored. Changes to an order will result in delays and/or additional costs once the order is in transit.

The Smart Delivery fee will be refunded if the shipment does not arrive within the specified delivery window. We will not be held responsible for costs or damages associated with delayed deliveries.

Please contact Customer Experience to request a Smart Delivery quote or for more information.

FREIGHT DAMAGE

We are not responsible for product damage occurring in transit or during storage. Before accepting a shipment from the carrier, carefully review the packing list and inspect the quantity and condition of the items. Promptly document all visible damage on the Bill of Lading and request a carrier inspection of the product. In the event of damage, accept the order and contact Customer Experience for issue resolution. Concealed damage must be reported in writing within 60 days of accepting delivery. We will take all reasonable steps to assist customers in resolving claims for loss or damage.

WILL CALL

Customers with Will Call orders will be notified once orders are ready to be picked up. Customers will have three business days from notification to pick up the order. If the order is not picked up within this time frame, storage charges will start at a rate of \$30 per business day until the order has been claimed.

INVOICING

Invoicing is triggered when the product ships.

Fire safety is a top priority for us. SitOnIt Seating and IDEON strongly support CAL 133 standards and make it easy for designers and buyers to specify CAL 133 chairs.

TB 117

Under California law, all upholstered furniture must meet TB 117-2013 by January 1, 2015. At a minimum, all SitOnIt Seating and IDEON fabrics, vinyl, leathers and resilient filling material (i.e., foam and Dacron) meet TB 117-2013. Unlike TB 117-2013, which tests only the inner upholstery components, with CAL 133 the entire piece of furniture must withstand ignition from a gas burner inside a testing chamber.

WHAT IS CAL 133?

CAL 133 is a standard of furniture flammability started by the California Bureau of Home Furnishings and Thermal Insulation for furniture used in public buildings such as healthcare facilities, convalescent homes, public assembly areas of hotels and motels, hospitals, board and care homes, stadiums, licensed child care facilities, prisons and jails.

Notice: Starting January 1, 2020, the State of California changed regulations to ban flame retardants in upholstered furniture sold in California. We anticipate further regulatory changes in other states. The TB-133 barrier used in our products is a flame-retardant fabric designed to pass open-flame testing protocols. The cotton/fiberglass knit is infused with a phosphorus flame retardant and coated with a chemical that expands in heat to create a physical flame barrier. The TB-133 barrier material that we use in our products is free of halogenated flame retardants, Polybrominated diphenyl ethers (PBDE), Formaldehyde, and Antimony.

CHOOSING CAL 133 TEXTILES

Consult the individual SitOnIt Seating and IDEON fabric cards to review the specifications for each fabric offered. Because we offer such a vast array of fabrics with varying degrees of flame retardancy, we suggest you consult the published technical data of the fabric supplier when making your fabric selection.

Specify CAL 133 textiles in the Material section of the Final Price Calculation worksheet or on your purchase order.

SitOnIt Seating and IDEON assume no responsibility for the flame retardancy of any customer-provided textile.

CAL 133 TESTING

CAL 133 is a full-scale fire test for furniture manufactured for use in public buildings. The standards do not specify how to construct furniture, but only how it should perform when tested. To pass this fire standard test, a fire blocking liner is sandwiched between the foam and the fabric of our chairs. This liner acts as a fire extinguisher by smothering the flame.

COM/COL compliance for CAL 133 models listed above can be determined by specifying upholstery with the exact characteristics as approved SitOnIt Seating fabrics and leathers or by conducting a full chair burn test. The nondiscountable test fee for each chair-textile combination is \$600 net plus the cost of the chair. The lead time for testing is four weeks.

SITONIT SEATING

\$600

IDEON

\$800

For more information on TB 117-2013 and CAL 133, visit the [State of California Department of Consumer Affairs](#) website.

TO ORDER CAL 133

Allow a 10-day lead time. Clearly specify CAL 133 on your order. For each chair, add the appropriate additional charge.

CAL 133 LEATHER

All carded leather is CAL 133 approved.

CAL 133 PLASTIC

All our plastic chairs are CAL 133 approved except for our Achieve collection.

CAL 133 TEXTILES

Over a thousand CAL 133 approved textiles in all grades, colors and styles are listed on the SitOnIt Seating website. Visit [sitonit.net](#) and search textiles by CAL 133 compliance, manufacturer, grade, lead time and other attributes.

TO CHECK PURCHASED SEATING FOR CAL 133

To determine whether your current SitOnIt Seating chair meets CAL 133, or to check an order you have recently received, check the bottom of the chair seat pan for the label shown below. If your chair does not have this tag, your chair does not meet CAL 133.

NOTICE

This Article is manufactured for use in public occupancies and meets the flammability requirement of California Bureau of Home Furnishings technical bulletin 133. Care should be exercised near open flame or with burning cigarettes.

The following models, when combined with approved textiles and blocker, meet the CAL 133 standard.

CAL 133 APPROVED MODELS

FABRIC

Unmatched Matching®

Textiles can be everything. With the right fabrics, you can provide atmosphere, create cohesiveness and offer an unforgettable experience across many spaces and places.

Fabric color, alignment, texture, orientation and pattern all play a part—and need to line up or match perfectly (especially with field-replaceable parts). With PatternMatch, pattern alignment and pattern orientation, you can rest assured that every part of every chair can be traded out easily without disrupting design.

PatternMatch®

We ensure that design elements of the back, seat and arms match and/or align between seat and back. The patterns or lines also match unit-to-unit. Standard for IDEON. Not standard for SitOnIt Seating.

Pattern Orientation

All fabric (vertical, horizontal or bi-directional pattern) will be applied in the direction shown on the fabric manufacturer's website, unless otherwise specified.

To ensure desired fabric direction, use the Custom Upholstery Order Form on page 28 and check the appropriate box under the "Pattern Orientation" section.

When we apply a textile pattern with lines at a 90-degree angle (vertically and/or horizontally) to the back and seat of a chair, we strive to achieve full alignment. Some small variations can occur due to the shape and size of the product. Standard for SitOnIt Seating and IDEON.

Multiple Upholstery

The multiple upholstery option allows one fabric to be selected for the back and a different fabric for the seat. Multi-upholstery pricing is different for SitOnIt Seating and IDEON.

SitOnIt Seating

- Upholstery pricing is based on both seat and back being the same textile. Otherwise:
- If two fabrics of the same grade are chosen, one grade level will be added to the upholstery price. Example: grade 4 for the seat and a different grade 4 for the back, the upholstery price will be grade 5 for both.
- If two fabrics of different grades are chosen, the final upholstery price will be based on the highest grade. Example: grade 2 for the seat and grade 3 for the back, the upholstery price will be grade 3 for both.

IDEON

- A standard upcharge applies to all multi-upholstery orders. Different fabrics and grades may be combined because back, seat, arm and valance are separately priced.
- Add the single multi-upholstery upcharge to the cost of the components. Example: upcharge + any grade price for the seat + any grade price for the back + any grade price for the arm.

Moisture Barrier

Accidents happen. To help protect your investment, moisture barrier for seats and backs is an option on all IDEON seating products.

Specify moisture barrier seats and/or backs in the Material section of the Final Price Calculation worksheet or on your purchase order. Note that specification and pricing are separate for seat and back and apply to each single seat or back position.

COM/COL WARRANTY

Any textiles applied to furniture orders through the COM/COL process will not be covered under warranty by SitOnIt Seating/IDEON. Any warranty claims for these upholstery materials will fall to the original vendor of the fabric. With a broad spectrum of harsh cleaning agents used by facilities, SitOnIt Seating/IDEON recommends that the owner test each fabric selection with their specific cleaning methods before using. Additionally, SitOnIt Seating/IDEON is not held responsible for receipt of defective fabrics, as we apply all COM as first-quality goods.

CAL 117 POLICY

SitOnIt Seating/IDEON assumes no responsibility for the fire retardancy of any COM/COL. Customers are solely responsible for making sure that their COM/COL complies with all applicable codes and regulations. For information on CAL 133, refer to page 12.

COM/COL PROCESS

1. Visit the **SitOnIt Seating Textile Compatibility** tab on our website to see if your COM/COL textile has already been approved.

(If your textile is already approved, skip to step 3.
If it hasn't been previously approved, go to step 2.)
2. Send a 12" x 12" textile swatch to be tested for approval along with a completed COM/COL Test Request Form found on the next page.

Note: Freelance back, InFlex back, Focus Side back and Achieve back require 0.75 yards of fabric to be sent for testing.

Allow two business days once your textile is received for the test results to be available on the **SitOnIt Seating Textile Compatibility** tab on our website.

Send the textile swatch and form to:

SitOnIt Seating/IDEON
Attn: COM Engineer
6280 Artesia Blvd.
Buena Park, CA 90620

3. If the COM/COL swatch is approved, fill out the Customer Upholstery Form located on page 16 and attach with your order.
4. Ship the necessary amount of COM or COL material and the purchase order number to:

SitOnIt Seating/IDEON
Attn: COM Engineer
6280 Artesia Blvd.
Buena Park, CA 90620

COM/COM EXCESS YARDAGE

SitOnIt Seating/IDEON is not responsible for yardage submitted to us beyond the required amount. Excess COM/COL materials will be discarded at the discretion of SitOnIt Seating/IDEON unless otherwise instructed by the customer at the time the order is placed. If a customer requires the COM/COL excess yardage returned, they must contact Customer Experience to make arrangements. The customer will be responsible for delivery charges.

COM/COL TEST REQUEST FORM

Please complete one of these forms for each model and/or textile that needs to be tested.

Total Yardage Shipped (for COM/COL) _____ (To calculate, reference COM Calculation and COM Yardage Requirement on page 20.)

Contains flame retardants: ☐ Yes ☐ No

Prop 65 compliant: ☐ Yes ☐ No

*Per California Proposition 65, we are required to note that select textiles may contain chemicals known to cause cancer or reproductive toxicity.
To learn more, please visit the Prop 65 web page.*

FABRIC DIRECTION

To avoid confusion, you may wish to attach a sample textile with the desired face and direction indicated. Is there a desired top and bottom to the fabric application?

☐ Yes ☐ No

Is the fabric a stripe or two-color plaid?

☐ Yes ☐ No

Please refer to our standard and rotated fabric directions to the right.
Indicate the desired fabric direction for each applicable component in the check boxes below.

Seat (Ottoman Side): ☐ Vertical or Off The Roll ☐ Horizontal or Railroaded

Back (Ottoman Top): ☐ Vertical or Off The Roll ☐ Horizontal or Railroaded

Arm: ☐ Vertical or Off The Roll ☐ Horizontal or Railroaded

Valance: ☐ Vertical or Off The Roll ☐ Horizontal or Railroaded

Please attach this form with your order submission.

If you are submitting a COM/COL order, make sure to include your PO# with the textile that you mail to our factory:

SitOnIt Seating/IDEON
6280 Artesia Blvd.,
Buena Park, CA 90620
Attn: COM Engineer

Vertical or Off the Roll

Horizontal or Railroaded

COM CALCULATION

STEPS TO CALCULATE COM YARDAGE

1. Determine which products are being ordered as COM.
2. Find the yardage needed to upholster those products from the COM Yardage Requirement charts.
3. Adjust the yardage requirement total based on the repeat of the fabric roll using the COM Repeat Calculation table.
4. Take the final calculation and round up to the nearest half-yard to get final yardage.

For orders of 10 or more seats, contact Customer Experience for further quoting.

COM CALCULATION EXAMPLE

Below is a hypothetical scenario for how total COM yardage should be determined. This example is for a patterned textile that has a repeat.

STEP 1: DETERMINE WHICH PRODUCTS ARE BEING ORDERED AS COM

For this example order, we'll assume we need to order: 20 units of Freelance 4-leg — backs only

STEP 2: DETERMINE THE COM YARDAGE REQUIREMENT

Looking at the COM Yardage Requirements chart that begins on 20, we see that the following yardage amounts are needed for each product:

Freelance 4-leg chair back = 0.94 yards.
Now we multiply 0.94 yards by the 20 chair backs and we get a total of 18.8 yards.

STEP 3: ADJUST THE YARDAGE REQUIREMENT TOTAL BASED ON REPEAT

Since the textile we've chosen is a pattern with a repeat, we should look at the repeat calculation table on page 19 to determine our multiplier. For this example, let's assume our repeat is 11" and we're upholstering the fabric vertical/off-the-roll. Based on the table, the multiplier is 20%. Now, we need to take the 18.8 yards from step two and increase it by 20%. An easy way to calculate this is by multiplying 18.8 by 1.2, which gives us 22.6 yards.

STEP 4: ROUND TO GET THE FINAL AMOUNT NEEDED

To determine how much yardage is needed to complete this order, we take the amount from step three and round it to the nearest half-yard. In this case, that means the customer needs to send SitOnIt Seating/IDEON 23 yards to complete this order.

STEP 5: SUBMIT ORDER

Please allow five business days once the fabric is delivered for your test results to be available on the SitOnIt Seating Textile Compatibility tab of our website. If you need further assistance, please contact Customer Experience at (877) 994-3366.

COM REPEAT CALCULATION

Yardage requirements listed in this document are based on textile bolts/rolls that are 54" wide.

Please contact Customer Experience if goods are a width other than 54".

Please use the guide below to calculate the percentage of extra upholstery required to cover large repeats.

REPEAT	RAILROADED/HORIZONTAL OR VERTICAL/OFF THE ROLL
5.1"- 7"	10%
7.1"-10"	15%
10.1"-14"	20%
14.1"-20"	30%
20.1"-27"	45%

COM/COL YARDAGE REQUIREMENT

Combining upholstery is an option on all SitOnIt Seating upholstered products. Below are tables outlining the fabric or vinyl requirements for the entire chair as well as individual pieces. All yardage requirements are quoted in terms of yards for fabric or vinyl and feet for leather. Please contact Customer Experience for order quantities greater than 10 seats.

MAINTENANCE/CLEANING

With routine care and maintenance, your new SitOnIt Seating or IDEON chair should provide years of comfortable and trouble-free seating. Occasional light cleaning is all that is necessary.

Chairs are made from a variety of materials including plastic, metal, wood, laminate and fabric. Each material has specific cleaning requirements. Follow the general guidelines below for best results and preservation of the warranty.

- Regularly clean chair fabric by vacuuming or light brushing
- Always check code before deciding which cleaning products to use
- Test cleaning product in an inconspicuous area first to guard against color bleeding or fabric shrinkage
- Follow all directions and advice of cleaning agent manufacturer

PLASTIC

“Plastic” is commonly used to describe a multitude of chair components, from polyurethane shells and hard nylon glides and casters to soft, malleable arm pads and flexible and durable ballistic nylon upholstery.

Ordinary soil acquired through normal use can be cleaned with a damp, soft cloth or sponge and a nonabrasive surface cleaner. If a scrub brush is needed, make sure it has a soft bristle to prevent scratching. Successive cleaning may be required using a soft brush and 70% isopropyl alcohol

METAL AND LAMINATES

For normal cleaning, use a damp cloth or wet cheesecloth with a mild, nonabrasive detergent solution. After cleaning, use a damp, clean cloth with water to rinse the surface removing and soap residue then wipe with a clean dry cloth.

Avoid harsh chemical or abrasive cleaning compounds.

WOOD AND VENEER

For optimum wood and veneer care, dust regularly with a slightly damp, soft, lint-free cloth then wipe with a soft, dry cloth in the direction of the grain.

Use cleaning products that advertise “for wood use.” Avoid harsh chemical or abrasive cleaning compounds. Mild detergents or other solvents such as isopropyl alcohol will degrade the clear coat and sealer over time. For best results, use products free of wax and silicones.

FABRIC

SitOnIt Seating and IDEON have adopted industry standards for fabric cleanability. Fabrics are marked with a code indicating the appropriate cleaning method. This information is available on the textile cards for the various collections and is available on our website at sitonit.net or ideondesign.com. The code may be printed on a label under seat cushion. Use the following cleaning codes as a guide for spot removal and overall cleaning.

CLEANING CODE	DESCRIPTION
BC:	Bleach cleanable. Bleach cleanability is desirable for any fabric that may need to be disinfected or sterilized. All mesh fabrics are bleach cleanable. The Centers for Disease Control recommends a 1:10 diluted solution of household bleach for these purposes.
D:	Dry clean only.
L:	Clean with warm water and mild soap.
S:	Only pure, water-free solvents may be used.
W:	Water-based cleaning agents or foam may be used. CAUTION: Use of water-based or detergent-based solvents may cause spotting, shrinking and/or permanent water stains. Solvent cleaning agents will not remove water stains.
WS:	Clean with water-based cleaning agents, foam or pure, water-free solvents (Energine, Carbona, Renuzit or other similar products). Vacuuming or light brushing is recommended to prevent dust or soil buildup.
X:	Vacuum only. Clean these fabrics by vacuuming or light brushing to prevent accumulation of dust and grime. Weekly vacuuming is recommended.

CAUTION

Follow the manufacturer's directions printed on all cleaning agents. Wear eye protection and gloves if advised to do so and do not breathe fumes from cleaning solutions.

Before cleaning an unfamiliar material with an untried cleaner it is best to try cleaning a small spot in an inconspicuous area first.

Store and dispose of cleaning materials properly.

Chairs may contain components made from plastic, wood, metal and fabric. Many cleaning materials may work for one material but not another. Use cleaners only on intended surfaces and take care not to spill on other surfaces.

Reference to commercial products or trade names does not imply endorsement by Exemplis or bias against those not mentioned.

CUSTOM FINISH PROGRAM

PRICING

First-time custom stains must be approved before acceptance of an order. A one-time net fee applies if stains are not in our library. Thereafter, a stain-to-match upcharge is applied to each chair.

SITONIT SEATING

Stain not in our library: \$350 Net

Stain-to-match upcharge: \$55 List

IDEON

Stain not in our library: \$275 Net

Stain-to-match upcharge: \$70 List

APPROVAL PROCESS

Since all new stains must be approved before they can be applied to seating or tables, allow extra time for custom finishes. Custom finishes generally require at least one to two weeks to create a matched sample. We will need a signed Approval Form before we can accept your order. We reserve the right to decline the opportunity to match a finish color.

1. Send a 3" x 4" or 4" x 6" sample of the stain, along with the model numbers and options to which the finish will be applied, to:

Customer Experience
Custom Finish Program
6415 Katella Avenue
Cypress, CA 90630

Include dealer name, contact and project reference.

2. Once approved, we will send a finish sample to you along with any caveats that may apply. We will keep an identical sample in our files for future orders. Custom finishes generally require at least a week to create a matched sample.
3. Carefully review the sample. Note the STAIN ID# (example: SM#070214-1); this will be needed for your order. Return the signed approval form to Customer Experience along with your order. We need your approval before we can accept the order, schedule it for production or acknowledge a ship date.
4. IDEON orders using our stain-to-match program will have a lead time of 15 days.

ORDERING

When ordering, enter the approved STAIN ID# in the Material section of the Final Price Calculation worksheet or on your purchase order.

CUSTOM FINISH TERMS AND CONDITIONS

Wood is inherently beautiful because of natural variations in color, grain and texture. There may be minor differences from one chair to the next, even though they are finished at the same time. We cannot guarantee exact matches of grain or natural wood color.

GLIDE GUIDE

For over 20 years, SitOnIt Seating products have been expertly designed to provide the best comfort and support in the industry.

Glides are an often overlooked element in the seating specification process, but they play a crucial role in ensuring proper interface between the chair and the floor.

This application guide offers general guidelines to assist customers with choosing the best glide for their needs. The guide is based on extensive lab testing and hands-on experience with selling chairs in a variety of environments, as well as review and consultations with glide experts.

Better — Better choice for this application based on our testing.

Acceptable — Acceptable choice for this application based on our testing but consider BETTER or BEST options.

NR — Not recommended for this application based on our testing.

This Application Guide is provided for informational purposes only. Always follow the manufacturer's instructions for care and maintenance of your flooring. Periodic inspection and maintenance of glides is critical to minimize the risk of damage to your flooring, especially when using glides with floors that are prone to scratching and marring. Testing was performed under simulated conditions. Because a wide range of factors impact actual performance, including how your chairs are used; the state of the glides and flooring; and dirt, moisture and other environmental factors, Exemplis does not warrant you will achieve any specific result. Actual results may vary.

NR — Not recommended.

HEAVY DUTY SERIES

SitOnIt Seating Heavy Duty Series offers an unmatched combination of strength, comfort and ergonomic support to accommodate various users, all at a value-driven price point, in addition to standard two-, five- and 10-day lead times. It features heavy-duty construction for a 24-hour multi-shift usage.

LIMITED 10-YEAR WARRANTY

SitOnIt Seating warrants the Heavy Duty Series for a period of 10 years when configured to the appropriate model. Fabric and foam cushioning are covered for two years.

TEXTILE DURABILITY

SitOnIt Seating recommends textiles that are high-density and abrasion-resistant, with at least a 75,000 double rub rating.

HEAVY DUTY GUIDE

SitOnIt Seating offers various task and side models that are rated up to 350 lb, 400 lb, 500 lb and 1,000 lb. This guide helps you choose the right seating solution based on your requirements.

HEAVY DUTY SERIES

Large and Tall

SitOnIt Seating Large and Tall (LT) models are available as a standard to provide a fully coordinated and cohesive family offering on our Amplify, Focus and Novo task chairs. Large and Tall accommodates users up to 400 lb and SitOnIt Seating warrants for a period of 10 years used in multi-shift (24/7) applications.

Specify Large and Tall models by using the LT suffix when ordering. Add the appropriate additional charge for each chair. The list below summarizes the model, arm styles, mechanism, frame, back and base options.

COMPONENT PRICING

UNDERSTANDING COMPONENT PRICING

This SitOnIt Seating Price Guide features component pricing. Component pricing puts you in the driver's seat: it is designed to show you exactly what you are paying for.

The following pages provide the specific product information that will help you price and create a custom model number for your chair or stool.

Begin at step one by choosing a model. Work your way through the worksheet by choosing arm, back, valance and foot styles. Select the accessories and textiles you desire (sequence and number of steps will vary depending on product).

The choices you make will either add to or subtract from the prominently listed base price. Standard features add nothing to the base price and some choices are even a deduction! At the Final Price Calculation step, simply enter the item codes and add up the pricing.

Specify the quantity desired and your requested delivery date, then fax the worksheet along with your P.O. number, contact information and company's order form (including bill-to information) to (714) 995-4855 or email to purchaseorder@exemplis.com.

All products, prices and codes are subject to change. For the most current information, see the SitOnIt Seating Price Guide online at sitonit.net.

AMPLIFY

MESH BACK TASK CHAIR

Sleek, aerodynamic lines give the Amplify collection power, with a look of modern design and sumptuous comfort. Midback and highback mesh chairs are available in multiple frame, arm and base colors. The mesh back features adjustable lumbar bands that provide optimum ergonomics. The comfortable mesh back model comes in 10 colors and the upholstered waterfall seat is available in 10 fabric or leather textile grades with optional contrast stitching. Amplify offers more built-in features than any other chair in its class, with enhanced synchro, height-adjustable arms and adjustable lumbar support all standard. The curvaceous profile and soft, textured arm pads make this a chair that delivers style as well as substance.

The power of more.

GOOD :: \$595

Midback, black frame, swivel tilt mechanism, height-adjustable arms, black nylon base, grade 1 textile

FOCUS

MESH BACK TASK CHAIR

Invigorated with sporty back, arm and mesh options, the best-selling Focus still offers superior long-term comfort for a task environment. There are just so many customization choices for this top-selling task chair. Both midback and highback models offer optional adjustable lumbar support. Multiple back styles include upholstered and mesh to dress the familiar Y-shaped frame. Nine arm styles range from fixed to fully multi-adjustable and include a larger, more ergonomic arm pad. Focus is part of a broad and versatile collection that includes side and stool models.

Where comfort, style and ergonomics converge.

GOOD :: \$629

FOCUS 2.0

MESH BACK TASK CHAIR

Updated. Upgraded. Up to any task. There's a legacy that follows Focus. Some call it classic. Others say it's iconic. It's been one of the industry's best-selling chairs for 10+ years—and it's time we make something great even better.

Focus reimagined.

GOOD :: \$586

Highback mesh with adjustable lumbar support, swivel tilt mechanism, height-adjustable arms, black frame, black nylon Y-support, black nylon base, accent color, carpet casters, grade 1 textile

BETTER :: \$656

Highback mesh back with adjustable lumbar support, enhanced synchro mechanism, height-adjustable arms, black frame, black nylon Y-support, black nylon base, accent color, carpet casters, grade 1 textile

BEST :: \$855

Highback mesh with adjustable lumbar support, enhanced synchro mechanism with seat depth adjustment, fully adjustable (8-way) arms, white frame, piano black Y-support, white nylon base, accent color, carpet casters, grade 1 textile

FOCUS 2.0

CATEGORY: TASK CHAIR

BASE PRICE: \$656

GSA SIN #: 33721

The heart of what matters most. You'll find Focus at the place where comfort, design and everything you value in a smart solution converge. That's how we created an icon and industry best-selling solution for 10+ years. Its evolution will continue this legacy. Focus 2.0 is reimagined, redefined and ready to inspire a whole new generation.

1. Back

Back Size and Style	Code	Price	
Highback Mesh With Adjustable Lumbar	1123 BK2 MB	+\$0	

2. Mechanism

Mechanism	Code	Price	
Swivel Tilt	T	-\$70	
Enhanced Synchro	Y	+\$0	
Enhanced Synchro With Seat Depth Adjustment	Y/E3	+\$79	

FEATURES

- Slimmer, refined design
- Swivel tilt and enhanced synchro mechanism
- Modernized Y-support customizable in four colors, including piano black
- Three frame and base colors
- Armless, height-adjustable, height-/width-adjustable or fully adjustable arms
- 12 accent colors for pull handle stripe, lumbar casing, arm adjustment and caster rings
- Three exclusive mesh options in Focus mesh, Focus 2.0 mesh and Focus Uptown mesh
- Adjustable lumbar support included
- Performance casters that match frame and base colors
- 300 lb weight capacity warranty

3. Frame

Frame Color	Code	Price	
Black	FC1	+\$0	
Fog	FC13	+\$35	
White	FC12	+\$35	

Y-Support Color	Code	Price	
Black	YCC01	+\$0	
Piano Black	YCC04	+\$25	
Fog	YCC03	+\$0	
White	YCC02	+\$0	

Due to the high-gloss material, the piano black Y-support (YCC04) is more susceptible to scratches and scuffs in a workstation environment and requires more care when removing protective packaging. Scratches and scuffs may not be covered under warranty.

Accent Color	Code	Price	
Onyx	LA1	+\$0	
Graphite	LA14	+\$0	
Nickel	LA2	+\$0	
Fog	LA4	+\$0	
Navy	LA15	+\$0	
Desert	LA3	+\$0

Upholstered seat, clear maple slotted wood back, arms, casters, grade 1 textile

FOCUS SIDE

CATEGORY: FOCUS

BASE PRICE: \$427

GSA SIN #: 33721

The revitalized Focus Side combines comfort and design for lobby, office, or reception areas. Choose the 4-leg side chair in three back options—mesh, wood and upholstered.

Two different frame finishes permit it to blend in—or stand out. A waterfall seat, molded foam cushion and back support ensure comfort. Focus Side is part of a broad and versatile collection that includes task and stool models.

1. Frame

Frame Finish	Code	Price	
Black	5651	+ \$0	
Silver	5652	+ \$0	
Black With Black Carpet Casters	5641	+ \$40	
Silver With Black Carpet Casters	5642	+ \$40	

2. Back

Back Style	Code	Price	
Mesh	B1	+ \$0	
Upholstered	B3	+ \$0	
Solid Wood	WB1	+ \$125	
Slotted Wood	WB2	+ \$125	

FEATURES

- Complements Focus, Amplify and Novo
- Mesh back, fully upholstered or wood back
- 15 bleach cleanable mesh back colors
- Two wood back styles in four finishes
- Black or silver frame
- Waterfall seat
- Mesh back model stacks four on the floor, five on the optional cart; upholstered back model stacks three on the floor, three on the optional cart
- Wall-saver frame design
- 300 lb weight capacity warranty

3. Arms

FREELANCE

MULTIPURPOSE CHAIR

The transitional design of Freelance side chairs works well in lobby areas, workstations and offices. The comfortable, curved seat and structural integrity has made it a high-demand, multipurpose chair. Three frame/arm finish combinations create variety. Add casters, arms or a book rack for ultimate mobility and flexibility in training rooms and collaborative spaces. Freelance is a broad collection of 4-leg, sled and bariatric chairs, counter and bar stools.

*Built for durability.
Imagine the versatility.*

FREELANCE

CATEGORY: MULTIPURPOSE CHAIR

BASE PRICE: \$424

GSA SIN #: 33721

Freelance features a transitional design with a comfortable, curved seat and comes in both plastic and upholstered styles. Choose from nine plastic shell colors and thousands of textiles. Go with or without arms and explore various base options as well—discover our designer sled bases (not stackable) or our stackable 4-leg styles.

FEATURES

- Fully upholstered, upholstered seat or plastic
- Thousands of textiles or nine plastic colors
- Three frame/arm finish combinations: black, bisque and silver/slate
- Waterfall seat
- Molded shroud underside
- Wall-saver frame design
- Optional book rack and tablet arm
- Stacks four on floor, six on the optional cart (chairs with sled bases do not stack)
- 250 lb weight capacity warranty on plastic chairs; 300 lb capacity on upholstered chairs; 350 lb capacity on Heavy Duty option

INFLEX

MULTIPURPOSE CHAIR, COUNTER AND BAR STOOL

Designed by Giancarlo Piretti, this multipurpose, flex-back stacking chair offers contemporary styling and spine-friendly comfort—at an affordable price. Versatile InFlex comes in both plastic stacking side models and upholstered side, task and stool versions. The contemporary styling of this Piretti chair emulates the human spine. Its innovative flex-back disc system, with 13 degrees of back angle range, is as clever as it is comfortable.

Geometry in motion.

MAVIC

COLLABORATIVE CHAIR

Mavic is here to prove that a jack-of-all-trades can be a master of all. Looks, features, function, comfort and more—there's so much Mavic offers in a single, light-scale seat that it crosses over into new territory. So when it's time to enable collaboration (wherever and whenever you need it), Mavic sits ready to provide a radical new way to work.

*Cross over
collaboration.*

BETTER :: \$666

MAVIC

CATEGORY: COLLABORATIVE

BASE PRICE: \$666

GSA SIN #: 33721

Zoom past the hurdles of getting together with a chair made for active collaboration. A swivel-tilt or weight-activated mechanism powers the 8-hour cushion on Mavic, helping you work with all-day sit-ability. And the slim, all-in-one frame with airy tension mesh keeps you light on your casters so that you can shift with ease.

MIKA

MULTIPURPOSE CHAIR

The slim, simple, stackable, soft shell chair Mika sits above most others in its class – and not just because it was a “Best of NeoCon” silver award winner. Mika is elevated. Upholstered or non-upholstered, it reaches new heights in what a molded shell chair can be. From top to bottom, the design flows. Back and forth, the design rocks with 15 degrees of flex. Up and up, the design pushes an upholstered seat farther than ever before. And in the end, you arrive at a place of sit-ability and stack-ability hard to find in something that looks this good.

Design above.

GOOD :: \$300

4-leg, all plastic, armless,
standard multi-surface glides

BETTER :: \$376

Wire rod, upholstered seat,
armless, no glides

BEST :: \$399

4-leg, upholstered seat,
armless, standard
multi-surface glides

MIKA

CATEGORY: MULTIPURPOSE CHAIR

BASE PRICE: \$300

GSA SIN #: 33721

Mika makes waves with a design that stacks up well. From the very first sit, you'll see it's light in scale and not on performance. And while Mika provides the kind of durability you want in a multipurpose chair, there's ergonomic engineering throughout.

FEATURES

- Designed by ITO Design
- Single-piece shell with 15 degrees of back rest flex
- Sculpted shell provides a natural cradle
- Optional $\frac{2}{3}$ upholstered seat available in 15,000+ textiles
- Three neutral shell colors
- White, black, fog and chrome frame finishes
- Upholstered model stacks up to nine chairs on the floor
- 300 lb weight capacity warranty

NON-STOP HEAVY DUTY TASK CHAIR

Non-Stop Heavy Duty is a powerful combination of durability and comfort for task-intensive environments. Non-Stop differs from the typical chair construction in that all mounting points—seat to mech, arms to seat and J-bar to back—are reinforced with heavy-gauge steel mounting brackets. These solid steel fasteners are second to none for reliability and ergonomic comfort in high-intensity environments where chairs perform all day, every day and support a wide range of users. This Heavy Duty chair is rated to accommodate users up to 500 pounds and easily handles the demands of 24-hour environments.

Around-the-clock comfort.

ONCALL

MULTIPURPOSE CHAIR AND BAR STOOL

Practical, solid wire frame design and stackability make OnCall ideal for multipurpose use. It's a value-priced solution for meeting rooms and break areas as well as labs and educational environments. The plastic model offers value while upholstered models ensure a more comfortable sit. A half-circle back cutout serves as a handle to move the side chair, task chair or stool anywhere.

High performance, low maintenance.

\$192

All plastic, armless

CATEGORY: MULTIPURPOSE CHAIR AND BAR STOOL

BASE PRICE: **\$192**

GSA SIN #: **33721**

The OnCall plastic side chair is a chic, lightweight and affordable choice for guest seating. Available in nine designer plastic colors or thousands of upholstery choices and featuring the collection's signature crescent handle and back cut-out, this side chair brings a side of style to pull-up meetings, lunchrooms or training sessions.

PRAVA

CONFERENCE CHAIR

The Jorge Pensi-designed Prava chair has double-stitched detailing and revolutionary molded-foam construction. The midback model is ideal for conference room use while the highback is well suited for any executive. A plush foam cushion in the center of the backrest offers ultimate comfort. A wide array of comfort and control options are available including three arm styles, choice of swivel tilt, knee tilt or enhanced synchro adjustments and a headrest option. Modern and sophisticated with restrained elegance, Prava embodies the precise balance between refinement and comfort.

Command performance.

RIO

MULTIPURPOSE CHAIR, COUNTER AND BAR STOOL

What goes into an award-winning plastic chair? Patented flexing technology, for one. Add a fresh, modern color palette and an extra-slim, stackable frame and you've got a multipurpose seating solution that allows for more movement, day-long comfort and flexibility than any other chair in its class. Our complete family of Rio® models feature our patented Active Rebound Control (ARC) Technology®—a performance-minded flexor insert that supports a wide range of motion (20 full degrees to be exact) and responds precisely to the amount of weight pressed against it. The Rio is an easy choice for multi-use spaces that require quick set-ups and breakdowns. Discover a line engineered to allow for better movement, applications across more environments and a longer product life.

Design that responds to you.

ROWDY

MULTIPURPOSE CHAIR

Rowdy is a one-piece multipurpose chair that will fit any space and any budget. Put Rowdy anywhere from meeting, training and conference rooms to auditorium and theater settings. The built-in hand-hold in the back allows easy repositioning. Stack Rowdy up to 40 high on its optional stacking cart and whisk them away for easy storage when space is at a premium.

Value to shout about.

\$158

All-plastic seat and back, armless

ROWDY

CATEGORY: MULTIPURPOSE CHAIR

BASE PRICE: \$158

GSA SIN #: 33721

A lightweight one-piece shell—complete with back hand-hold for convenient transport—makes Rowdy an outstanding multipurpose chair. An optional upholstered seat provides a generous, enduring sit while its continuous wire frame and ridged back give it critical strength.

CONTROL FUNCTIONS

SitOnIt Seating offers a wide range of function levels on our seating products. The descriptions and illustrations below are designed to introduce you to these mechanical functions and their primary advantages.

Standard Synchro (F)

Use for a variety of task environments. This 1.5:1 ratio synchro offers simple features for the budget-conscious buyer.

Features

- Swivels 360°
- Gas cylinder seat height
- 1.5:1 seat to back synchronized recline movement
- Upright three-position tilt lock
- Tilt tension control
- Anti-kick feature

Standard synchro mechanism available on Knack, Novo and Wit.

Enhanced Synchro (Y)

Use for a variety of task positions and extended hours of usage. This 2:1 ratio synchro offers smooth and easy-to-operate adjustments combined with maximum user comfort while ensuring correct posture and support. Allows for a full range of movement.

Features

- Swivels 360°
- Gas cylinder seat height
- 2:1 seat to back synchronized recline movement
- Upright two-position tilt lock
- Side tilt tension control
- Anti-kick feature
- Optional seat depth adjustment

Internal back height adjustment not available on Focus and Prava.

Enhanced Synchro mechanism is available on Amplify, Focus, Glove Active, Knack, Prava, ReAlign, Sona and TR2

Enhanced Synchro with Comfort Drive® (Y/E3)

Use for a variety of task positions and extended hours of usage. This 2:1 ratio synchro offers smooth and easy-to-operate adjustments combined with maximum user comfort while ensuring correct posture and support. Allows for a full range of movement.

Features

- Cable-driven control mechanism
- Swivels 360°
- Gas cylinder seat height
- 2:1 seat to back synchronized movement
- Easy-to-adjust side activated tension control
- Upright two-position tilt lock
- Anti-kick feature
- Seat depth adjustment

Enhanced synchro mechanism with Comfort Drive is available only on Torsa.

Advanced Synchro with Comfort Drive® (L/E3)

Use for today's variety of task positions and usages. Discover easy, intuitive adjustments with easy-to-reach, rapid-adjust controls for ongoing ergonomic support/comfort.

Features

- Rapid-adjust tension knob with five positive clicks; experience tightest to loosest tension in less than two turns
- Easy-to-adjust tilt limiter knob with positive clicks; enables tilt-limitation and continuous support in five positions up to 19°
- 2.3:1 ratio synchro
- Swivels 360°
- Built-in seat depth adjustment lever

Advanced synchro mechanism available exclusively on Vectra.

Basic (Swivel Only) (B)

Use for short periods of time. Our most basic control has simple adjustments and works for casual meetings.

Features

- Swivels 360°
- Gas cylinder seat height

Basic mechanism is available on Anytime, Focus, InFlex, Non-Stop, Novo, OnCall, ReAlign, Relay, TR2 and Wit.

Swivel Tilt (T)

Use for a variety of tasks and conferencing. Lean back and relax, or lock in the upright position and task with solid support.

Features

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Tilt tension control
- Upright position tilt lock

Internal back height adjustment available on Knack, ReAlign and Sona. Swivel tilt mechanism is available on Focus, Glove Active, Glove Executive, Knack, Non-Stop Heavy Duty, Novo, OnCall, Prava, ReAlign, Relay, Sona and TR2.

CONTROL FUNCTIONS

Swivel Tilt – Heavy Duty (T2)

Use for a variety of tasks and conferencing. Lean back and relax, or lock in the upright position and task with solid support.

Features

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Infinite position lock
- Tilt tension control

Swivel tilt heavy duty mechanism available only on Non-Stop Heavy Duty.

Knee Tilt (K)

Use for executive and managerial positions. The best of traditional tilt performance with a simple locking function. Allows for a full range of movement.

Features

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Upright position tilt lock
- Tilt tension control
- Reduced rise of front seat edge

Internal back height adjustment available on Sona.

Knee tilt is available on Focus, Glove Executive, Prava, ReAlign, Sona and TR2.

Posture Back (P)

Ideal for shared workstations. Perfect for limited task applications. Independent back articulation ideal for extended stool models.

Features

- Swivels 360°
- Gas cylinder seat height
- Infinite back angle adjustment
- Optional seat depth adjustment

The posture back mechanism is available only on TR2.

Dual Torsion – Heavy Duty (DT)

Use for a variety of tasks and conferencing. Synchronized double-action rise allows full back recline for leg comfort and minimal front rise.

Features

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Upright position tilt lock
- Tilt tension control
- Reduced rise off front seat edge

Dual torsion heavy duty mechanism available only on Non-Stop Heavy Duty.

Multi-Function (M)

Use for a variety of task positions and extended hours of usage. Our most ergonomic control allows for an infinite range of movement and adjusts to a 5° forward tilt.

Features

- Swivels 360°
- Gas cylinder seat height
- Infinite back angle adjustment
- Seat and back tilt as unit
- Infinite position tilt lock
- Free floats in unlocked position
- Tilt tension control
- Seat pivots in a 5° forward position
- Optional seat depth adjustment

Non-Stop Heavy Duty models have a manual back height adjustment.

Multi-function mechanism available on Glove Active, Knack, Non-Stop Heavy Duty, ReAlign and TR2.

ARM STYLES AND ADJUSTMENTS

SitOnIt Seating offers a wide variety of arm styles and adjustments to accommodate all types of users doing a wide variety of tasks. The general adjustments for each arm type are described below. See the website or the product hang tag for specifics.

Armless

Any discussion of arm styles must begin with armless. Armless chairs and stools are less expensive and are easier to get in and out of. However, they do not provide ergonomic support for long-term sitting and task functions.

Every SitOnIt Seating collection offers armless chairs and stools, but the selection may be limited to specific models. For instance, Freelance multipurpose chairs and stools can be specified armless, but not Freelance bariatric chairs.

Fixed

As the name implies, fixed arms cannot be adjusted. Also known as loop arms, cantilever arms and other names, these arms are commonly found on side and multi-seating as well as basic task seating.

Height-Adjustable

This is the most basic adjustable arm. The arm adjusts up or down. Height-adjustable arms are best for basic task work.

Instructions

Height-adjustable arms may operate slightly differently for some collections:

Glove Active, Knack, Non-Stop Heavy Duty, ReAlign, TR2 and Vectra:

- To increase or decrease the arm height, press the button and pull up or push down on the arm.

Focus:

- To increase arm height, press up on the button located under the front of the arm pad and pull the arm up.
- To decrease arm height, press the button located under the front of the arm pad and push the arm down.

Height-adjustable arms are available for Amplify, Focus, Glove Active, Knack, Non-Stop Heavy Duty, Novo, ReAlign, TR2, Vectra and Wit.

ARM STYLES AND ADJUSTMENTS

Height-/Width-Adjustable | Multi-Adjustable

Height-/width-adjustable arms are sometimes called multi-adjustable arms on certain products. The arm adjusts up and down and side to side. This provides more “elbow room” for larger people. Best for basic task work.

Instructions

These arms allow two adjustments:

- Height: See instructions in the height-adjustable section.
- Width: To adjust the arm width, push down on the lever located under the seat to unlock the width adjustment. Move the arm to the desired width and pull up on the lever to lock the arm in place.

Height-/width-adjustable arms are available for Focus, Glove Active, Knack, Non-Stop Heavy Duty, ReAlign and TR2.

Multi-adjustable arms are available for Amplify, Novo and Torsa.

Height-Adjustable With Pivot

The arm adjusts up and down and 30° in or out. The arms can be turned in to facilitate writing or keyboarding and turned out for other tasks.

Instructions

These arms allow two adjustments:

- Height: To increase or decrease the arm height, press the button.
- Pivot: The armrest has three positions: 30° in, center or 30° out. To pivot the arm, grasp the arm pad and move it to one of the three positions.

Height-adjustable arms with pivot are available for Glove Active, ReAlign and TR2.

Height-/Width-Adjustable With Pivot | Multi-Adjustable (Height/Width) With Pivot

This arm adjusts up and down, side to side and 30° in or out.

Instructions

These arms allow three adjustments:

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Width: The arm adjusts side to side. To adjust the arm width, push down on the lever located under the seat to unlock the width adjustment. Move the arm to the desired width and pull up on the lever to lock the arm in place.
- Pivot: The armrest has three positions: 30° in, center or 30° out (Non-Stop Heavy Duty pivots 15°). To pivot the arm, grasp the arm pad and move it to one of the three positions.

Height-/width-adjustable arms with pivot are available for Glove Active, Non-Stop Heavy Duty, ReAlign and TR2.

Height-Adjustable Break-Away

The arm adjusts up or down and folds down 90°. The folding arm allows for fast and easy ingress and egress and is also great for users with large key rings, tool belts or other personal gear.

Instructions

These arms allow two adjustments:

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Break-Away: To fold the arm back, push down on the lever located under the seat to unlock the arm and move the arm back. To return the arm to the original position pull the arm up until it locks into place.

Height-adjustable break-away arms with pivot are available for Non-Stop Heavy Duty.

ARM STYLES AND ADJUSTMENTS

Multi-Adjustable (Height/Width) Articulating

The articulating arm adjusts up and down and side to side while the arm pad pivots left and right.

Non-Stop Heavy Duty offers a multi-adjustable articulating arm option.

Fully Adjustable (6-Way)

The six fully adjustable arm adjustments are arm height (up/down), arm pad depth (forward/back) and arm pad side to side (in/out). This ergonomic arm is good for users engaged in a variety of task applications.

Instructions

These arms allow for three adjustments.

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Arm pad depth: The arm pad slides forward or back.
- Width: The arm adjusts side to side.

Fully adjustable (6-way) arms with arm pad depth adjustment are available exclusively on Focus.

Fully Adjustable (6-Way)

The six fully adjustable arm adjustments are arm height (up/down), arm pad depth (forward/back) and pivot. This ergonomic arm is good for users engaged in a variety of task applications.

Instructions

These arms allow for three adjustments.

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Arm pad depth: The arm pad slides forward or back.
- Pivot: The armrest has three positions: 25° in, center, or 25° out.

Fully adjustable (6-way) arms with pivot are available on Sona and Prava.

Fully Adjustable (8-Way)

The 8-way fully adjustable arms go up/down for height adjustment while the arm pads go forward/back, in/out and pivot in/out for robust support. This all-encompassing arm style makes a perfect fit for today's workplace where broader work applications such as use of smartphones, tablets and other tech accessories are becoming the norm (and require complete forearm support). Pivoting of the arm pads also means that even the most petite of users can adjust accordingly for a more suitable fit.

Instructions

These arms allow for four adjustments.

- Height: The arm goes up or down for height adjustment.
- Arm Pad Depth: The arm pad slides forward or backward.
- Arm Pad Lateral: The arm pad moves in and out. Not to be confused with the arm width adjustment where the entire arm moves.
- Arm Pad Pivot: The arm pad pivots in and out to accommodate various work application postures.

Fully adjustable (8-way) arms available exclusively on Vectra.

Fully Multi-Adjustable (10-Way)

The 10-way arm adjustments are arm height, arm width, arm pad depth, arm pad side to side and pivot. This is an excellent ergonomic task chair for executives or workers.

Instructions

These arms allow for five adjustments.

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Width: The arm adjusts side to side. To adjust the arm width, push down on the lever located under the seat to unlock the width adjustment. Move the arm to the desired width and pull up on the lever to lock the arm in place.
- Arm pad depth: The arm pad slides forward or back.
- Arm pad side to side: The arm pad slides from side to side. Not to be confused with the arm width adjustment where the entire arm moves.
- Pivot: The armrest has three positions: 30° in, center or 30° out (Non-Stop Heavy Duty pivots 15°). To pivot the arm, grasp the arm pad and move it to one of the three positions.

Fully adjustable (10-way) arms available exclusively on Focus.

COLOR PROGRAM

From plastic shell colors to mesh colors to custom match colors, SitOnIt Seating gives designers and specifiers lots of options. The tables below show the color options available by collection.

PLASTICS

All plastic shell colors are available with a 2-day lead time for production.
