CARE + MAINTENANCE GUIDE

GENERAL MAINTENANCE RECOMMENDATIONS

- Clean and maintain your furniture regularly.
- A professional cleaning service is recommended.
- Do not saturate the furniture with liquids.
- Treat stains quickly. The stain will become increasingly more difficult to remove the longer it sits.
- Pretest any cleaning method or agent in an inconspicuous area of the furniture before using in a visible location.

CLEANING RECOMMENDATIONS

For regular cleaning and maintenance against dirt, dust and grime: Regular vacuuming is recommended. Spot clean any soiled area with mild dish soap and water, then rinse with fresh water and pat dry with a clean, lint-free cloth.

For tough food stains such as ketchup, chocolate, coffee, tea or cola: Rub the affected area with a soft cloth or sponge using a 1:10 solution of dish soap and water. For stubborn stains follow up with a mild solution of Oxi-Clean™. Rinse with fresh water and pat dry with lint-free cloth.

For difficult stains like eye shadow, mascara, lipstick, crayon, grease or urine: Rub the affected area with a soft cloth or sponge using a 1:10 solution of dish soap and water. For stubborn stains follow up with a mild solution of Oxi-Clean™. Rinse with fresh water and pat dry with lint-free cloth.

Note:

Residue left by cleaning agents will degrade and shorten the life and/or affect the product's appearance if not removed.

RESILIENCETX FINISH EXPLAINED

ResilienceTX fabrics are made with a durable protective finish that is embedded into the fibers of the material. The upholstery will resist spills and everyday dust and dirt, keeping the upholstery clean and looking just like the day it was installed.
