

SPECIFICATIONS

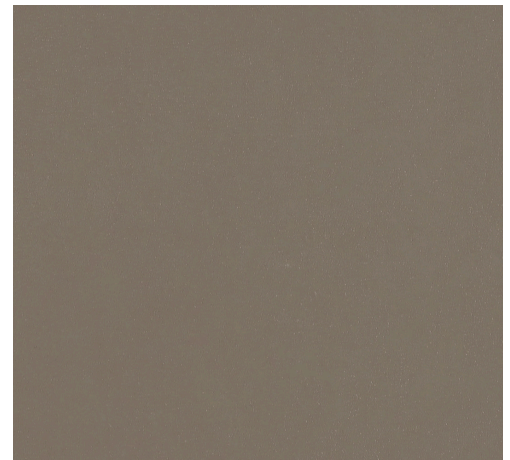

PATTERN:	Sili-Tex Original
PRICE:	FG 4
LEAD TIME:	Task/Executive/Side: 2-day Lounge: 10-day
WARRANTY:	5 years
AVAILABILITY:	Approved for use on all seating models.

CHARACTERISTICS

Content:	100% silicone
Finish:	None
Backing:	100% polyester
Width:	54"
Pattern Repeat Size:	N/A
Weight Per Linear Yard:	2.2 lbs
Cleaning Code:	WS / BC (1:4)
Country of Origin:	China

PERFORMANCE

Abrasion:	350,000 D.R.
Seam Slippage (Warp):	182 lbs
Tensile Strength (Warp):	500N +/- 10%
Flammability:	CA TB117-2013 Class 1, NFPA 260/UFAC Class 1, ASTM E84 (adhered)
Colorfastness to Light Rating:	4.5
Lightfastness:	200 hours
Crocking, Dry:	Class 5
Piling Resistance:	N/A
Note:	Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be an indicator of increased lifespan.

ENVIRONMENTAL

- PVC/PU Free
- HHI Compliant
- CAL01350 certified
- Qualifies for LEED v4, BREEAM, Well Building, and Living Building Challenge
- Advanced solvent free technology
- FR Free
- California PROP 65 Compliant
- No formaldehyde
- No plasticizers, phthalates, heavy metals or BPA
- No lead
- Non-toxic
- Inherently anti-mildew
- No anti-bacterial additives or biocides

CARE + MAINTENANCE GUIDE

STAIN RESISTANCE

Ink:	Class 5
Permanent Marker:	Class 5
Coffee:	Class 5
Blood:	Class 5
Urine:	Class 5
Ketchup/Mustard:	Class 5
Coffee/Wine:	Class 5
Lipstick:	Class 5
Denim:	Class 5

Rating System

Class 5 – No evidence of stain present

Class 4 – Slight evidence of stain present

Class 3 – Noticeable evidence of stain present

Class 2 – Considerable evidence of stain present

Class 1 – Excessive evidence of stain present

GENERAL MAINTENANCE RECOMMENDATIONS

- Clean and maintain your furniture regularly. Rinse with clean water and dry.
- Clean with a damp cloth with a solution of mild liquid soap and water.
- A professional cleaning service is recommended.
- Do not saturate the furniture with liquids.
- Abrasive household cleaners and steel wool should be avoided.
- Treat stains quickly. The stain will become increasingly more difficult to remove the longer it sits.
- Pretest any cleaning method or agent in an inconspicuous area of the furniture before using in a visible location.

STAIN AND DISINFECTANT RECOMMENDATIONS

For loose dirt and dust:

Clean with a soft sponge or cloth using water.

For stains such as ketchup/mustard or wine/coffee:

Clean with a soft sponge or cloth using water.

For stubborn stains like sunscreen, mascara, soy sauce, pen ink or permanent marker:

Mix 1 oz of detergent with ¼ gallon of water. Use a soft cloth to wash and make sure to rinse the mix off the furniture with water.

For stubborn stains like lipstick or denim dye:

Clean with a soft sponge using 95% ethyl alcohol or 90% Isopropyl alcohol.

For disinfecting:

Use a 1:4 bleach to water mix.

Note:

Make sure to rinse all cleaning agents off the surface with water and a soft cloth. Residue left by cleaning agents will degrade and shorten the life and/or affect the product's appearance if not removed.
