

Price Guide 2016

SitOnIt • Seating®

Effective September 1, 2016

Who We Are

SitOnIt • Seating®

Since 1996, we've built a reputation for making well-designed, comfortable and affordable office seating. Our unique build-to-order manufacturing model allows us to create beautiful and reliable ergonomic chairs and ship them quickly.

OUR VALUE

SitOnIt Seating is where high-end style meets high-comfort ergonomics—discover premium seating solutions at a fraction of the price.

WE LOVE OUR CUSTOMERS

Our outstanding customer experience team takes care of you from start to finish! You'll always have support before, during and after each sale.

WORLD-CLASS DESIGN

Our in-house design team defies the notion that engineers are strictly analytical and designers are only artistic. We've intentionally recruited creatively inclined engineers and structurally sound designers to thoughtfully craft chairs that look *and* feel great.

ENDLESS CUSTOM OPTIONS

Executive, conference, task, multi-purpose and lobby—explore all our customizable collections using our new tool, Chairbuilder.

2, 5 OR 10-DAY SHIPPING

Thanks to our nimble size and lean manufacturing operation, our shipping speed is unmatched in the industry.

UNDERSTANDING COMPONENT PRICING

This SitOnIt Seating Price Guide features component pricing. Component pricing puts you in the driver's seat: it is designed to show you exactly what you are paying for.

The following pages provide the specific product information that will help you price and create a custom model number for your chair or stool.

Begin at step 1 and work your way through the worksheet by choosing a frame, back, seat, arm, mechanism and base. Select the accessories, material and packaging method you desire (sequence and number of steps will vary depending on product).

The choices you make will either add to or subtract from the prominently listed base price. Standard features add nothing to the base price, and some choices are even a deduction! At the Final Price Calculation step simply enter the item codes and add up the pricing.

Specify the quantity desired and your requested delivery date and fax the worksheet along with your P.O. number and contact information to (714) 995-4855 or email to purchaseorder@exemplis.com. Or transfer the information to your own company's order form.

All products, prices and codes are subject to change. For the most current information see the SitOnIt Seating Price Guide online at sitonit.net.

AMPLIFY

MESH BACK TASK CHAIR

Sleek, aerodynamic lines give the Amplify collection power, with a look of modern design and sumptuous comfort. Midback and highback mesh chairs are available in multiple frame, arm and base colors. The mesh back features adjustable lumbar bands that provide optimum ergonomics. The comfortable mesh back model comes in ten colors and the upholstered waterfall seat is available in 10 fabric or leather textile grades with optional contrast stitching. Amplify offers more built-in features than any other chair in its class, with enhanced synchro, height adjustable arms and adjustable lumbar support all standard. The curvaceous profile and soft, textured arm pads make this a chair that delivers style as well as substance.

THE POWER OF MORE.

GOOD :: \$532

MESH BACK TASK STOOL

Sleek, aerodynamic lines give the Amplify collection power, with a look of modern design and sumptuous comfort. The midback mesh stool is available in multiple frame, arm and base colors. The mesh back features adjustable lumbar bands that provide optimum ergonomics. The comfortable mesh back model comes in ten colors and the upholstered waterfall seat is available in 10 fabric or leather textile grades with optional contrast stitching. The curvaceous profile and soft, textured arm pads make this a chair that delivers style as well as substance.

THE POWER OF MORE.

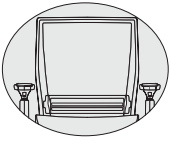

\$649

FOCUS SIDE

CATEGORY: MULTIPURPOSE CHAIR

COLLECTION: FOCUS SIDE

BASE PRICE: \$392

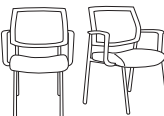

GSA SIN #: 711-19

The revitalized Focus Side combines comfort and design for lobby, office, or reception areas. Choose the 4-leg side chair in three back options – mesh, wood and upholstered. Two different frame finishes permit it to blend in – or stand out. A waterfall seat, molded foam cushion and back support ensure comfort. Focus Side is part of a broad and versatile collection that includes executive, task and stool models.

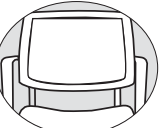

FEATURES:

- Complements Focus Executive, Focus Work and Amplify
- Mesh back, fully upholstered or wood back
- 13 bleach cleanable mesh back colors
- 2 wood back styles in 4 finishes
- Black or silver accents
- Waterfall seat
- Mesh back model stacks 4 on the floor, 5 on the optional cart; upholstered back model stacks 3 on the floor, 3 on the optional cart
- Wall-saver frame design
- Lifetime Warranty
- 300 lb. weight capacity
- All options and 1000's of textiles ship in 2, 5 or 10 days

FOCUS WORK

MESH BACK

TASK CHAIR

Invigorated with sporty back, arm and mesh options, the best-selling Focus Work still offers superior long-term comfort for a task environment. There are just so many customization choices for this top-selling task chair. Both midback and highback models offer optional adjustable lumbar support. Multiple back styles include upholstered, mesh and an exceedingly ergonomic, flexible plastic to dress the familiar Y-shaped frame. Nine arm styles range from fixed to fully multi-adjustable and include a larger, more ergonomic arm pad. Focus Work is part of a broad and versatile collection that includes executive, side and stool models.

FOCUS[®] WORK

FREELANCE MULTIPURPOSE CHAIR

The transitional design of Freelance side chairs works well in lobby areas, workstations and offices. The comfortable, curved seat and structural integrity has made it a high-demand, multipurpose chair. Three frame/arm finish combinations create variety. Add casters or arms, a book rack or tablet arm for ultimate mobility and flexibility in training rooms and collaborative spaces. Freelance is a broad collection of 4-leg, sled and bariatric chairs, and café stools.

**BUILT FOR DURABILITY.
IMAGINE THE VERSATILITY.**

INFLEX

MULTIPURPOSE CHAIR & CAFÉ STOOL

Designed by Giancarlo Piretti, this multipurpose, flex-back stacking chair offers contemporary styling and spine-friendly comfort—at an affordable price. Versatile InFlex comes in both plastic stacking side models and upholstered side, task and stool versions. The contemporary styling of this Piretti chair emulates the human spine. Its innovative flex-back disc system, with 13 degrees of back angle range, is as clever as it is comfortable.

GEOMETRY IN MOTION.

LEADER KNIT BACK TASK CHAIR

Whether ranking for comfort, performance or contemporary design, Leader is in front. The high-end knit mesh is extremely supportive and ergonomic. It's the perfect chair for a modern workspace or conference room. Ample support, ergonomic shaping and a waterfall seat cradles the human form, providing hours of lasting support and preventing fatigue. As an option, the seat depth is adjustable from a seated position without sacrificing productivity. Five different mechanisms, five arm styles and three base options place Leader ahead of the pack.

THE CHAIR BEHIND GETTING AHEAD.

NON-STOP HEAVY DUTY TASK CHAIR

Non-Stop Heavy Duty is a powerful combination of durability and comfort for task-intensive environments. Non-Stop differs from the typical chair construction in that all mounting points – seat to mech, arms to seat and J-bar to back – are re-enforced with heavy gauge steel mounting brackets. These solid steel fasteners are second to none for reliability and ergonomic comfort in high-intensity environments where chairs perform all day, every day and support a wide range of users. Non-Stop is available in two sizes with five arm and multiple control options. These heavy duty chairs are rated to accommodate users up to 350 or 500 pounds and easily handle the demands of 24-hour environments.

AROUND-THE-CLOCK COMFORT.

GOOD :: \$1,357

Task size 2, swivel tilt mechanism, height adjustable arms, black nylon base, grade 1 textile.

BETTER :: \$1,417

Task size 2, multi-function mechanism, height adjustable arms, black nylon base, grade 1 textile.

BEST :: \$2,054

Task size 3, dual torsion mechanism, large loop arms, polished aluminum base, grade 1 textile.

NON-STOP HEAVY DUTY

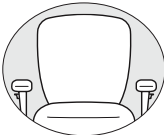

CATEGORY: TASK CHAIR
COLLECTION: NON-STOP
BASE PRICE: \$1,417
GSA SIN #: 711-18

Designed for durability and backed by solid steel, Non-Stop delivers ergonomic comfort for high-intensity 24-hour environments like healthcare, call centers or public safety. It's a perfect fit where chairs need to perform all day, every day.

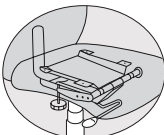

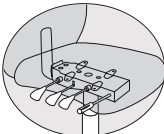

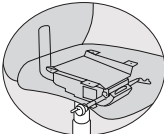

FEATURES:

- Reinforced heavy gage steel mounting brackets
- 2 seat sizes
- Multilayer cushioning
- Waterfall seat
- Size 2 weight capacity 350 lbs.; size 3 weight capacity 500 lbs.
- 10-Year Warranty
- All options and 1,000's of textiles ship in 2, 5 or 10 days

WIT

MESH TASK CHAIR

Adjustable lumbar support, height adjustable arms and multiple mesh colors are unexpected standard features given the surprisingly low price of the Wit collection. This smart task chair has a pull handle for easy mobility in collaborative environments. Wit midback and highback task chairs can be customized with black or silver accents, multiple mesh back colors and thousands of textiles for the upholstered seat. Choose armless, fixed, height adjustable or multi-adjustable (height/width) arms. Other options include a brushed aluminum base and seat depth adjustment. The Wit task chair was conceived with equal portions of design, comfort and value in mind, making this ergonomic collection perfectly suited for task, conference and collaboration environments.

SMART AND SURPRISING.

WIT THINTEX TASK CHAIR

Adjustable lumbar support, height adjustable arms and multiple colors are unexpected standard features given the surprisingly low price of the Wit® collection. Wit Thintex™ provides all the comfort, support, and initial soft “pillow feel” of a 2” thick upholstered back in a ¼” thick contemporary design. Wit Thintex midback and highback task chairs can be customized with black or silver accents, multiple fabric and vinyl back choices and thousands of textiles for the upholstered seat. Choose armless, fixed, height adjustable or multi-adjustable (height/width) arms. Other options include a brushed aluminum base and seat depth adjustment. The Wit task chair was conceived with equal portions of design, comfort and value in mind, making this ergonomic collection perfectly suited for task, conference and collaboration environments.

SMART AND SURPRISING.

GOOD :: \$517

Wit Thintex midback, swivel tilt mechanism, height adjustable arms, black base, swivel tilt, grade 1 textile.

BETTER :: \$563

Wit Thintex highback, standard synchro mechanism, height adjustable arms, black base, grade 1 textile.

BEST :: \$672

Wit Thintex highback, standard synchro mechanism, seat depth adjustment, multi-adjustable (height/width) arms, black base, grade 1 textile.

SITONIT SEATING AND IDEON LIMITED WARRANTY

Exemplis Corporation, d.b.a. SitOnIt Seating and IDEON (hereafter referred to as the Company), warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week) for the following warranty periods:

Lifetime Warranty Coverage:

- All SitOnIt Seating products, except where noted below.

12-Year Warranty Coverage:

- Amplify, Torsa, Wit and Novo used in multi-shift (24/7) applications.

10-Year Warranty Coverage:

- Non-Stop Heavy Duty and chairs purchased with a Heavy Duty (“HD”) option used in multi-shift (24/7) applications.
- All IDEON seating and tables.

5-Year Warranty Coverage:

- Fabric, foam, knit back, mesh and plastic.

2-Year Warranty Coverage:

- Fabric and foam cushioning for Non-Stop Heavy Duty, Freelance Heavy Duty and chairs purchased with an HD option.

THE COMPANY DOES NOT WARRANT

- COM/COL textiles
- Product abuse or misuse
- Failure resulting from normal wear and tear
- User modification of or attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company’s installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions and/or have been subject to improper storage
- Floor samples or display models
- Products purchased “as is” and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will repair or replace with a comparable product, at its option, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid.

This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser’s original receipt or other proof of purchase.

For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account.

There are no other warranties, expressed or implied, other than those specifically described, including, without limitations, any implied warranty or merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

The Company will advise you of the procedure to follow when making warranty claims. Call the Company at the number below to explain the defect. Give your name, address and telephone number. Please be prepared with the model number and sales order number found under the seat of the chair.

SUSTAINABLE DESIGN

We make it easy to go green. Design an eco-friendly room from the ground up or upgrade an existing space to meet the latest environmental standards.

ANSI
BIFMA

ANSI/BIFMA CERTIFIED

SitOnIt Seating and IDEON are members of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by BIFMA are approved by the American National Standards Institute (ANSI) to determine the strength and durability of seating. Although testing is not a warranty or guarantee, our products meet or exceed BIFMA and ANSI standards.

LEED CERTIFIED

Earn points toward LEED certification thanks to our US manufacturing location and our use of recycled materials where possible.

GREENGUARD CERTIFICATION

All SitOnIt Seating and IDEON products met the rigorous criteria required by Greenguard Gold in accordance with the Collaborative for High Performance Schools.

LEVEL CERTIFIED

Sustainability matters. That's why we've worked to achieve BIFMA level® certification for all SitOnIt Seating and IDEON Seating products.

THE TAKE BACK PROGRAM

SitOnIt Seating and IDEON help minimize product waste by connecting our customers and dealers with third-party groups who re-direct materials that would be headed for the landfill to local non-profits and public agencies.

WE DID OUR HOMEWORK

Download detailed documents that break down the percentage of recycled content, manufacturing processes and indoor air emissions for every chair we make.

ORDERING INFORMATION

PRICING

All prices are suggested retail and are subject to change without notice. Visit our websites or contact Customer Support for the latest pricing. Prices in effect at the time of shipment will prevail. We reserve the right to make changes in prices, models, fabrics, finishes, materials and specifications, and also discontinue models and options at any time without notice.

ORDERS

Specify model number, quantity, desired delivery date and all other applicable information. Order templates can be found in the applicable Price Guide.

Orders will be accepted with an acknowledgment form governing the transaction. In the event an error is made in the manufacture of the product, the acknowledgement will be used as the resolution document. Submit orders by email or fax:

SitOnIt Seating

Email: purchaseorder@exemplis.com
Fax: (714) 995-4855

IDEON

Email: purchaseorder@ideondesign.com
Fax: (714) 995-4855

ORDER SIZE

No minimum order is required. Large orders may require additional lead time:

SitOnIt Seating

All orders in excess of 250 units

IDEON

Aviera: 50+ seat positions
Arioso, Composium and Visit: 25+ seat positions

Contact Customer Support for details.

QUANTITY DISCOUNTS

Quantity discounts for CAL 133 textiles and some shipping methods are available. See the appropriate Price Guide or contact Customer Support for more information.

CHANGE ORDERS

Orders that have entered into production may not be changed. All changes on customer orders previously acknowledged must be requested in writing and are subject to approval. Requests for changes are not deemed accepted until acknowledged. In the event a revision is accepted, change fees may apply.

ORDERS FOR PARTS

Multiple shipments may occur for orders that include parts. Hardware such as casters or cylinders will ship separately from items requiring upholstery or manufacturing labor. Multiple shipments will also occur if an order combines both parts and new chairs.

PRODUCT MODIFICATION

Special requests are available and additional charges will be determined per quotation. Up to five working days are required after the special request is received to prepare a quotation. Contact Customer Support for details.

CANCELLATION AND RETURNS

Orders that have entered any stage of production cannot be cancelled. Request for cancellations are not accepted until acknowledged. In the event a cancellation is accepted, cancellation charges may be imposed for the entire amount of the order. Authorization for return must be requested from and approved by Customer Support prior to the return of the merchandise. Returns may be subject to a restocking charge equivalent to 40% of the net order plus freight. Unauthorized returns will not be accepted.

LEAD TIME

We have thousands of carded textiles – including vinyl and leather – that ship in two, five or ten days. For a complete listing of textile lead times, see the Carded Textile Program section of the Textile Information Guide or visit the Textiles tab on our websites. Graded-in, COM and COL orders start production when the textile arrives from the manufacturer.

SitOnIt Seating

Lead time is 2, 5 or 10 days based on the textile. Plastic shell colors are available in two days to three weeks. Tablet arms require 3 weeks.

IDEON

Lead time is 10-days. Products specified with Stain to Match have a lead time of 15 days. See page 17 for details.

Orders received by 10 a.m. Pacific Time begin assembly the next day. Orders that are “On Hold” will begin production only when all holds are released.

Types of holds include:

- Credit Hold for issues related to billing and invoicing.
- Incomplete Hold if the purchase order is incomplete or illegible.
- Pricing Hold if the price on the purchase order does not match the pricing shown in the Price Guide or in our computer system.
- New Fabric Hold for non-standard textile orders without an inventory part number.
- Graded Hold is placed by the Purchasing Department while confirming delivery of graded fabric from the vendor.

Customer Experience will notify you of any holds placed on your order.

MULTI-UPHOLSTERY

The multi-upholstery option allows one fabric to be selected for the back and a different fabric for the seat. Multi-upholstery pricing is different for SitOnIt Seating and IDEON.

SitOnIt Seating

Upholstery pricing is based on both seat and back being the same textile. Otherwise:

- If two fabrics of the same grade are chosen, one grade level will be added to the upholstery price. Example: grade 4 for the seat and a different grade 4 for the back, the upholstery price will be grade 5 for both.
- If two fabrics of different grades are chosen, the final upholstery price will be based on the highest grade. Example: grade 2 for the seat and grade 3 for the back, the upholstery price will be grade 3 for both.

IDEON

A standard upcharge applies to all multi-upholstery orders. Different fabrics and grades may be combined because back, seat, arm and valance are separately priced.

- Add the single multi-upholstery upcharge to the cost of the components. Example: upcharge + any grade price for the seat + any grade price for the back + any grade price for the arm.

PRODUCT AND DESIGN CHANGES

We reserve the right to discontinue product lines, models and parts at any time. We also reserve the right to make changes in design and material when such action is deemed to be an improvement in design, function and/or construction.

ORDERING INFORMATION

MINIMUMS

SitOnIt Seating

There is no minimum requirement. Standard transportation freight costs are included in the price of the product.

IDEON

The freight program is designed to be delivered freight prepaid to the designated consignee, based upon a minimum of three or more items. If the shipment does not meet the minimum unit requirement, a surcharge of \$95 net per shipment will be assessed. Multiple orders for IDEON products may be combined to meet the three-piece minimum requirement, as long as all items are shipping on the same day to the same delivery location. Due to different carriers and shipping methods IDEON cannot be combined with SitOnIt Seating products to meet the three-piece requirement.

FREIGHT TERMS

Freight terms apply to the continental US only. This excludes Alaska and Hawaii. All standard transportation services and freight costs are included in the price of our products. We ship Freight Prepaid and Allowed, FOB and Origin. The Customer takes possession of the physical goods at the time of shipping. We are not responsible for in-transit damage. In the event of damage, the customer is responsible for filing any claims with the carrier.

Shipments outside the contiguous U.S. are shipped to the point of embarkation free of charge, if the shipment meets the minimum requirement. All subsequent freight charges will be at the customer's expense, shipped collect.

Because of the fluctuation of fuel prices we reserve the right to impose fuel surcharges for any shipments.

SHIPPING

Standard shipments are made via common carrier, unless otherwise specified. Special routing requests made by the customer or the consignee may result in additional charges.

Standard deliveries are dock-to-dock and are scheduled to occur Monday through Friday between 8 a.m. and 5 p.m., based on our published transit times. We will not be held responsible for issues or costs arising from carrier transit delays, missed delivery appointments, etc. We reserve the right to charge for non-standard customer delivery requirements that may include order deliveries, inside deliveries, etc. For information concerning these charges contact Customer Support.

Shipments are not guaranteed. Expedited service is available at an additional cost. We will work to arrange a specific delivery timetable with the carrier. Expedited services contracted with carriers are done solely at the request of the customer, and we in no way assume responsibility, either financial or otherwise, for any costs incurred as a result of a service failure on an expedited shipment. Contact Customer Support for more information.

FREIGHT DAMAGE

We are not responsible for product damage occurring in transit or during storage. Before accepting a shipment from the carrier, carefully review the packing list and inspect the quantity and condition of the items. Promptly document all visible damage on the Bill of Lading and request a carrier inspection of the product. In the event of damage, accept the order and contact Customer Support for issue resolution. Concealed damage must be reported in writing within 15 days of accepting delivery. We will take all reasonable steps to assist customers in resolving claims for loss or damage.

WILL CALL

Customers with Will Call orders will be notified once orders are ready to be picked up. Customers will have three business days from notification to pick up the order. If the order is not picked up within this time frame, storage charges will start at a rate of \$30 per business day until the order has been claimed.

INVOICING

Invoicing is triggered when the product ships.

CAL 133

Fire safety is a top priority for us. SitOnIt Seating and IDEON strongly support CAL 133 standards and makes it easy for designers and buyers to specify CAL 133 chairs.

CAL 133 VS. TB-117

Under California law, all upholstered furniture must meet TB-117-2013 by January 1, 2015. At a minimum, all SitOnIt Seating and IDEON fabrics, vinyl, leathers and resilient filling material (i.e., foam and Dacron) meet TB-117. Unlike TB-117, which tests only the inner upholstery components, with CAL 133 the entire piece of furniture must withstand ignition from a gas burner inside a testing chamber.

WHAT IS CAL 133?

CAL 133 is a standard of furniture flammability required by the California Bureau of Home Furnishings and Thermal Insulation for furniture used in public buildings such as healthcare facilities, convalescent homes, public assembly areas of hotels and motels, hospitals, board and care homes, stadiums, licensed child care facilities, prisons and jails.

CHOOSING CAL 133 TEXTILES

Consult the individual SitOnIt Seating and IDEON fabric cards to review the specifications for each fabric offered. Because we offer such a vast array of fabrics with varying degrees of flame retardancy, we suggest you consult the published technical data of the fabric supplier when making your fabric selection.

Specify CAL 133 textiles in the Material section of the Final Price Calculation worksheet or on your purchase order.

SitOnIt Seating and IDEON assume no responsibility for the flame retardancy of any customer-provided textile.

CAL 133 APPROVED MODELS

The following models when combined with approved textiles and blocker meet the CAL 133 standard:

SitOnIt Seating

Achieve – Upholstered and black plastic
Amplify – Upholstered and all mesh colors
Anytime – Upholstered and black plastic: A48, A49
Focus Executive – A98, A99
Focus Side – A130
Focus Work – A91, A92, A93, A94, A95
Freelance – Upholstered and black plastic
Freelance Heavy Duty
Glove Executive – A26FR
Glove Active – A26FR, A27LFR, A28FR, A28LFR
InFlex – Upholstered and plastic (black, slate, bisque): A121, A122
Knack – A77, A80, A81
Leader Knit Back – A32, A33, A34, A35, A36
Lumin – Upholstered and plastic
Non-Stop Heavy Duty – A67, A68, A69, A70, A71, A72
OnCall – Upholstered and black plastic: A37FR, A42FR
Prava – A105, A106, A108, A109, A111, A112
ReAlign – A73, A74, A75, A76, A77
Relay – Upholstered and black plastic: A60, A61
Rio – Upholstered and plastic
Rowdy – Upholstered and black plastic: A47
Social – Upholstered
Sona – A101, A102, A105, A106, A108, A109 and all knit colors
Torsa – All mesh colors
TR2 – A12FR, A15FR, A17, A43FR, A44FR
TR2 Side Chair – A12
Wit – All mesh colors

CAL 133 TESTING

CAL 133 is a full-scale fire test for furniture manufactured for use in public buildings. The standards do not specify how to construct furniture, but only how it should perform when tested. To pass this fire standard test, a fire blocking liner is sandwiched between the foam and the fabric of our chairs. This liner acts as a fire extinguisher by smothering the flame.

COM/COL compliance for CAL 133 models listed above can be determined by specifying upholstery with the exact characteristics as approved textiles or by conducting a full chair burn test. There is a non-discountable test fee for each chair-textile combination plus the cost of the chair. The lead time for testing is 4 weeks.

SitOnIt Seating

\$600

IDEON

\$800

For more information on TB-117 and CAL 133 visit the State of California Department of Consumer Affairs website.

TO ORDER CAL 133

Allow a 10-day lead time. There is a 3-week lead time for inflex black, bisque, salsa, navy, pebble, chocolate and slate. There is a 4-week lead time for Torsa desert, desert stripe, fog, fog stripe, electric blue, fire and navy. Clearly specify CAL 133 on your order. For each chair add the appropriate additional charge (see Price Guide).

CAL 133 COM/COL

COM/COL compliance for CAL 133 models listed above can be determined by specifying upholstery with the exact characteristics as approved SitOnIt Seating fabrics and leathers or by conducting a full chair burn test. The non-discountable test fee for each chair-textile combination is \$600 net plus the cost of the chair. The lead time for testing is 4 weeks.

CAL 133 LEATHER

Volo leather meets CAL 133 when applied to Focus, Freelance, Glove Active, Glove Executive, Leader Knit Back and Sona.

CAL 133 PLASTIC

Black plastic meets CAL 133 and is available on the following models at standard SitOnIt Seating lead times: Achieve, Anytime, Freelance, InFlex, OnCall, Relay and Rowdy. Bisque and Slate meet CAL 133 and is available on InFlex.

CAL 133 TEXTILES

Over a thousand CAL 133 approved textiles in all grades, colors and styles are listed on the SitOnIt Seating website. Visit sitonit.net and search textiles by CAL 133 compliance, manufacturer, grade, lead time and other attributes.

TO CHECK PURCHASED SEATING FOR CAL 133

To determine whether your current SitOnIt Seating chair meets CAL 133, or to check an order you have recently received, check the bottom of the chair seat pan for the label shown below. If your chair does not have this tag, your chair does not meet CAL 133.

NOTICE

This article is manufactured for use in public occupancies and meets the flammability requirement of California Bureau of Home Furnishings technical bulletin 133. Care should be exercised near open flame or with burning cigarettes.

MOISTURE BARRIER

Accidents happen. To help protect your investment, moisture barrier for seats and backs is an option on all IDEON seating products.

Specify moisture barrier seats and/or backs in the Material section of the Final Price Calculation worksheet or on your purchase order. Note that specification and pricing is separate for seat and back and applies to each single seat or back position

FABRIC & COM/COL

UNMATCHED PATTERN MATCHING

IDEON is the industry leader in pattern matching. Our PatternMatch™ expertise links patterns to chair components for a unified look across the back, front, seat and valance. Fabric for the right and left arms are cut to be mirror images. With this technology, every chair is a perfect match.

And the match can be replicated, even years later. If a replacement seat, back, valance – or even a complete chair – is needed, PatternMatch ensures the replacement perfectly matches the original.

FABRIC DIRECTION

Patterned fabric may be oriented to your liking. Each upholstered component (seat, back, arm, valance) can be positioned independently.

Dotted lines on the chair images on the next page represent how we judge how directional patterns travel. If you wish the pattern to travel according to our standard direction for each component, do nothing or add “S” to the manufacturer/pattern/colorway information on your order. If you wish the pattern to be rotated, select “Rotate Fabric Direction 90 Degrees” in the Final Price Calculation worksheet or add “R” to the manufacturer/pattern/colorway information on your order.

Example

Back or Front & Top Panel (ottoman)		\$
Textile Manufacturer:		
Textile Pattern:		
Textile Colorway:		
<input type="checkbox"/> Rotate Fabric Direction 90 Degrees		

To ensure desired fabric direction, use the form on page 8.

All fabric will be applied in the standard direction unless otherwise specified. Since some fabrics may be bi-directional with a subjective dominate direction, IDEON reserves the right to use its own judgment and will apply the fabric in what is determined to be the best manner. To ensure we meet your expectations, some upholstery selections may require visual verification prior to production. Visual verification orders will not be scheduled for production or acknowledged with a ship date until the customer has approved the visual image.

COM

The COM/COL textile must be approved prior to order fulfillment.

COM/COL textiles can be sent to:

HEAVY DUTY 24/7

SitOnIt Seating has designed a 24-Hour Multi-Shift Upgrade to be configured with specific SitOnIt Seating models. This configuration provides for unsurpassed comfort in a 'round the clock, three-shift environment.

LIMITED 10-YEAR WARRANTY

SitOnIt Seating warrants the 24-Hour Multi-Shift Upgrade for a period of 10 years when configured to the appropriate model. Fabric and foam cushioning are covered for two years.

The Heavy Duty 24/7 option increases the weight capacity of the following chairs to 350 lbs:

- Focus Work
- Freelance
- Glove Active
- Knack
- Non-Stop Size 2*
- ReAlign
- TR2

*Non-Stop Size 3 has a weight capacity of 500 lbs.

TO ORDER 24-HOUR MULTI-SHIFT UPGRADE

Specify Heavy Duty 24/7 models by using the HD suffix when ordering. Add the appropriate additional charge for each chair (see Price Guide). The list below summarizes the model, mechanism and arm choices available with the HD option. Check the Price Guide for other choices and options.

TEXTILE DURABILITY

A consideration when specifying Heavy Duty 24/7 is textile durability. SitOnIt Seating recommends textiles that are high density and abrasion resistant, with at least a 75,000 double rub rating. The following textiles are suitable for Heavy Duty 24/7 use:

Amenity	Current	Infinity	Mesa	Pick	Solace
Appleseed	Delta	Inlet	Messenger	Plait	Spice
Avenue	Disc	Intaglio	Metric	Plateau	Sugar
Bandwidth	Durand	Intersect	Millenium	Pop	Sugar Shoots
Bar	Eastside	Journey	Moon beam	Prism	Tombolo
Beeline	Element	Juxy	Navigator	Redux	Tradition
Brisa	Epic	Laredo	Nexus	Rein	Vario
Brisa Distressed	Estuary	Lariat	Nova	Rio Grande	Venue
Brisa Fresco	Etch	Lava	Oath	Roundabout	Via
Caiman	Foray	Legacy	Oblique	Rove	Vista
Canter	Free	Lineup	Odyssey	Runner Standard	Wensley
Chroma	Fuse	Luxe	Origin	Shibori	Yo-yo
Chronicle	Galaxy	Manner	Oscillate	Silica	
Circa	Hourglass	Marathon	Palatine	Silverado	
Clarion	Illusion	Medium	Panorama	Slide	

HEAVY DUTY 24/7 SPECIFICATIONS

- Extra-large casters with 25% more weight capacity
- Steel reinforcement added to the engineered plastic base
- Steel reinforcement added to the formed hardwood seat board and to the armrest seat attachment point
- Extra heavy duty gas lift with 350 lb. weight capacity (does not apply to Freelance)
- Heavy Duty S1 and Heavy Duty S2 stool kits for TR2 and Non-Stop Heavy Duty

CONTROL FUNCTIONS

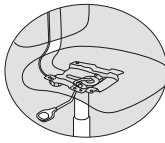

SitOnIt Seating offers a wide range of function levels on our seating products. The descriptions and illustrations below are designed to introduce you to these mechanical functions and their primary advantages.

Basic (swivel only) (B)

Use for short periods of time. Our most basic control has simple adjustments and works for casual meetings.

- Swivels 360°
- Gas cylinder seat height

Note: Chairs with the basic mechanism are Anytime, Focus Work, InFlex, Non-Stop, Novo, OnCall, ReAlign, Relay, TR2, and Wit.

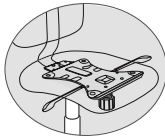

Standard Synchro (F)

Use for a variety of task environments. This 1.5:1 ratio synchro offers simple features for the budget-conscious buyer.

- Swivels 360°
- Gas cylinder seat height
- Internal back height adjustment
- 1.5:1 seat to back synchronized recline movement
- Upright three-position tilt lock
- Tilt tension control
- Anti-kick feature

Note: Knack, Novo and Wit offer the standard synchro mechanism.

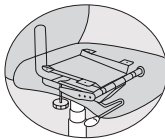

Dual Torsion – Heavy Duty (DT)

Use for a variety of tasks and conferencing. Synchronized double action rise allows full back decline for leg comfort and minimal front rise.

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Upright position tilt lock
- Tilt tension control
- Reduced rise off front seat edge

Note: Non-Stop has the Dual Torsion mechanism.

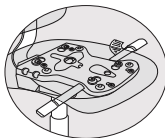

Enhanced Synchro (Y)

Use for a variety of task positions and extended hours of usage. This 2:1 ratio synchro offers smooth and easy to operate adjustments combined with maximum user comfort while ensuring correct posture and support. Allows a full range of movement.

- Swivels 360°
- Gas cylinder seat height
- Internal back height adjustment
- 2:1 seat to back synchronized recline movement
- Upright two-position tilt lock
- Side tilt tension control
- Anti-kick feature
- Optional seat depth adjustment

Note: Internal back height adjustment not available on Focus and Prava. Enhanced Synchro is available on Amplify, Focus Executive, Focus Work, Glove Active, Knack, Leader Knit Back, Prava, ReAlign, Sona and TR2.

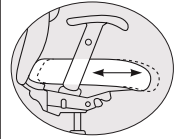

Enhanced Synchro with Comfort Drive® (Y)

Use for a variety of task positions and extended hours of usage. This 2:1 ratio synchro offers smooth and easy to operate adjustments combined with maximum user comfort while ensuring correct posture and support. Allows a full range of movement. Only available on Torsa.

- Cable-driven control mechanism
- Swivels 360°
- Gas cylinder seat height
- 2:1 seat to back synchronized movement
- Easy to adjust side activated tension control
- Upright two-position tilt lock
- Anti-kick feature
- Seat depth adjustment

Note: Enhanced Synchro with Comfort Drive is exclusively available on Torsa.

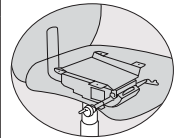

Euro Glide (A2)

Use for executive and managerial tasking. Smooth and simple operation combines maximum user comfort while ensuring correct posture and support. Euro Glide allows a full range of movement.

- Swivels 360°
- Gas cylinder seat height
- Internal back height adjustment
- 2:1 seat to back synchronized recline movement
- Upright five-position tilt lock
- Side tilt tension control
- Anti-kick feature

Note: Leader Knit Back, Non-Stop and ReAlign offer euro glide.

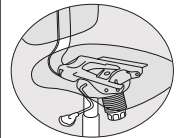

Knee Tilt (K)

Use for executive and managerial positions. The best of traditional tilt performance with a simple locking function. Allows a full range of movement.

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Upright position tilt lock
- Tilt tension control
- Reduced rise of front seat edge

Note: Internal back height adjustment available on Sona. Knee tilt is available on Focus Work, Glove Executive, Leader Knit Back, Prava, ReAlign, Sona and TR2.

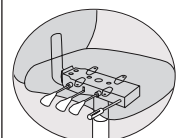

Multi-Function (M)

Use for a variety of task positions and extended hours of usage. Our most ergonomic control allows for an infinite range of movement and adjusts to a 5° forward tilt.

- Swivels 360°
- Gas cylinder seat height
- Internal back height adjustment
- Infinite back angle adjustment
- Seat and back tilt as unit
- Infinite position tilt lock
- Free floats in unlocked position
- Tilt tension control
- Seat pivots in a 5° forward position
- Optional seat depth adjustment

Note: Nonstop models have a manual back height adjustment. Find multi-function on Glove Active, Knack, Leader Knit Back, Non-Stop, ReAlign and TR2.

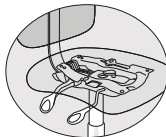

CONTROL FUNCTIONS

Posture Back (P)

Ideal for shared workstations. Perfect for limited task applications. Independent back articulation ideal for extended stool models.

- Swivels 360°
- Gas cylinder seat height
- Internal back height adjustment
- Infinite back angle adjustment
- Optional seat depth adjustment

Note: The posture back mechanism can be specified for TR2 and Wit.

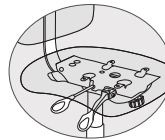

Swivel Tilt – Heavy Duty (T2)

Use for a variety of tasks and conferencing. Lean back and relax or lock in the upright position and task with solid support.

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Infinite position lock
- Tilt tension control

Note: Non-Stop has the swivel tilt heavy duty mechanism.

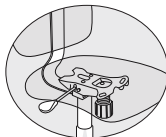

Swivel Tilt (T)

Use for a variety of tasks and conferencing. Lean back and relax or lock in the upright position and task with solid support.

- Swivels 360°
- Gas cylinder seat height
- Seat and back tilt as unit
- Tilt tension control
- Upright position tilt lock

Note: Internal back height adjustment available on Knack, Realign and Sona. Available on Focus Work, Glove Active, Glove Executive, Knack, Leader Knit Back, Non-Stop, Novo, OnCall, Prava, ReAlign, Relay, Sona and TR2.

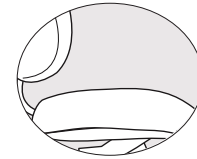

ARMS & ARM ADJUSTMENTS

SitOnIt Seating offers a wide variety of arm styles and adjustments to accommodate all types of users doing a wide variety of tasks. The general adjustments for each arm type are described below. See the website or the product hang tag for specifics.

ARMLESS

Any discussion of arm styles must begin with armless. Armless chairs and stools are less expensive and are easy to get into and out of. However, they do not provide ergonomic support for long-term sitting and task functions.

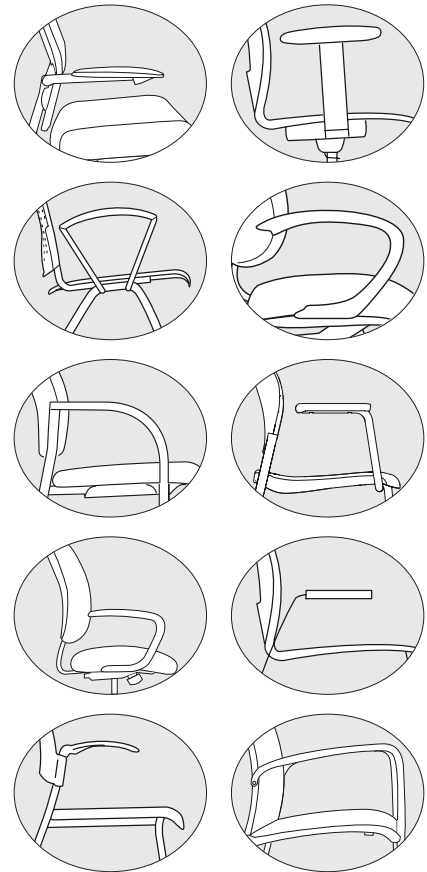

Every SitOnIt Seating collection offers armless chairs and stools, but the selection may be limited to specific models. For instance, Freelance multipurpose chairs and stools can be specified armless, but not Freelance bariatric chairs.

FIXED

As the name implies, fixed arms cannot be adjusted. Also known as loop arms, cantilever arms and other names, these arms are commonly found on side and multi-seating as well as basic task seating.

Height adjustable arms are available for Amplify, Focus Work, Glove Active, Knack, Leader Knit Back, Non-Stop Heavy Duty, Novo, ReAlign, TR2 and Wit.

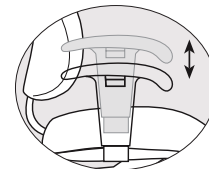

HEIGHT ADJUSTABLE

This is the most basic adjustable arm. The arm adjusts up or down. Height adjustable arms are best for basic task work.

Height adjustable arms may operate slightly different for some collections.

- For Glove Active, Knack, Leader Knit Back, Non-Stop Heavy Duty, ReAlign and TR2:
 - To increase or decrease the arm height, press the button and pull up or push down on the arm.
- For Focus Work and Focus Sport:
 - To increase arm height, press up on the button located under the front of the arm pad and pull the arm up.
 - To decrease arm height, press the button located under the front of the arm pad and push the arm down.
- For Sona and Prava:
 - To increase arm height, pull up on the arm until the desired height is reached.
 - To decrease arm height, pull it up until it reaches its highest point. This will reset the mechanism and allow the arm to drop to its lowest point. Now raise the arm to the desired height.

Height adjustable arms are available for Amplify, Focus Work, Glove Active, Knack, Leader Knit Back, Non-Stop Heavy Duty, Novo, ReAlign, TR2 and Wit.

ARMS & ARM ADJUSTMENTS

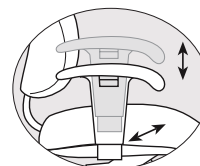

HEIGHT/WIDTH ADJUSTABLE MULTI-ADJUSTABLE

Height/width adjustable arms are sometimes called multi-adjustable arms on certain products. The arm adjusts up and down and side-to-side. This provides more “elbow room” for larger people. Best for basic task work.

This arm has two adjustments:

- Height: see instructions in the Height Adjustable section.
- Width: To adjust the arm width, push down on the lever located under the seat to unlock the width adjustment. Move the arm to the desired width and pull up on the lever to lock the arm in place.

Height/width adjustable arms are available for Focus Work, Glove Active, Knack, Leader Knit Back, Non-Stop Heavy Duty, Novo, Prava, ReAlign, Sona and TR2.

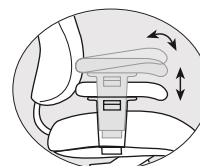

HEIGHT ADJUSTABLE WITH PIVOT

The arm adjusts up and down and 30° in or out. The arms can be turned in to facilitate writing or keyboarding and turned out for other tasks.

Height adjustable with pivot arms permit two adjustments:

- Height: To increase or decrease the arm height, press the button.
- Pivot: The armrest has three positions: 30° in, center or 30° out. To pivot the arm, grasp the arm pad and move it to one of the three positions.

These arms are available for Focus Executive, Glove Active, Leader Knit Back, ReAlign and TR2.

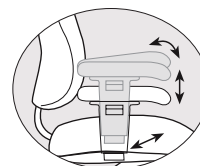

HEIGHT/WIDTH ADJUSTABLE WITH PIVOT MULTI-ADJUSTABLE (HEIGHT/WIDTH) WITH PIVOT

This arm adjusts up and down, side to side and 30° in or out.

Three adjustments are provided by the height/width adjustable with pivot arm:

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Width: The arm adjusts side-to-side. To adjust the arm width, push down on the lever located under the seat to unlock the width adjustment. Move the arm to the desired width and pull up on the lever to lock the arm in place.
- Pivot: The armrest has three positions: 30° in, center or 30° out (Non-Stop Heavy Duty pivots 15°). To pivot the arm, grasp the arm pad and move it to one of the three positions.

Multi-Adjustable with pivot is available for Focus Executive, Glove Active, Leader Knit Back, ReAlign, TR2 and Non-Stop.

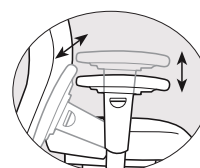

HEIGHT ADJUSTABLE BREAK-AWAY

The arm adjusts up or down and folds down 90°. The folding arm allows for fast and easy ingress and egress and is also great for users with large key rings, tool belts or other personal gear.

There are two adjustments for this arm.

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Break-Away: To fold the arm back, push down on the lever located under the seat to unlock the arm and move the arm back. To return the arm to the original position pull the arm up until it locks into place.

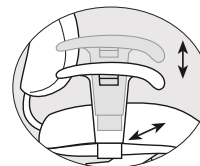

Non-Stop Heavy Duty features a height adjustable break-away arm.

MULTI-ADJUSTABLE (HEIGHT/WIDTH) ARTICULATING

This arm adjusts up and down and side to side.

Non-Stop Heavy Duty offers a Multi-Adjustable Articulating arm option.

ARMS & ARM ADJUSTMENTS

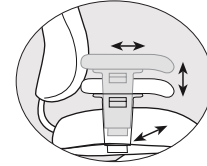

FULLY ADJUSTABLE (6-WAY)

The six fully adjustable arm adjustments are arm height (up/down), arm pad depth (forward/back) and arm pad side-to-side (in/out). This ergonomic arm is good for users engaged in a variety of task applications.

The fully-adjustable (6-way) arm:

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Arm pad depth: The arm pad slides forward or back.
- Width: The arm adjusts side-to-side.

Focus Work, Prava and Sona have fully adjustable arm options.

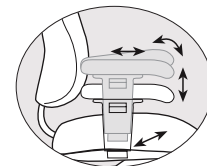

FULLY MULTI-ADJUSTABLE (8-WAY)

There are eight arm adjustments with the fully multi-adjustable arm: arm height, arm pad depth, arm pad side-to-side and pivot. Like the 6-way arm, the 8-way arm provides ergonomic arm support for task applications.

The 8-way arm:

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Arm pad depth: The arm pad slides forward or back.
- Arm pad side-to-side: The arm pad slides from side to side. Not to be confused with the arm width adjustment where the entire arm moves.
- Pivot: The armrest has three positions: 30° in, center or 30° out (Non-Stop Heavy Duty pivots 15°). To pivot the arm, grasp the arm pad and move it to one of the three positions.

Prava and Sona feature fully multi-adjustable (8-way) arms.

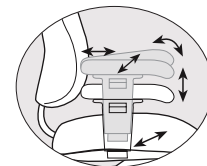

FULLY MULTI-ADJUSTABLE (10-WAY)

The 10-way arm adjustments are arm height, arm width, arm pad depth, arm pad side-to-side and pivot. This is an excellent ergonomic task chair for executives or workers.

The 10-way arm is fully multi-adjustable:

- Height: The arm adjusts up or down. To increase or decrease the arm height, press the button.
- Width: The arm adjusts side-to-side. To adjust the arm width, push down on the lever located under the seat to unlock the width adjustment. Move the arm to the desired width and pull up on the lever to lock the arm in place.
- Arm pad depth: The arm pad slides forward or back.
- Arm pad side-to-side: The arm pad slides from side to side. Not to be confused with the arm width adjustment where the entire arm moves.
- Pivot: The armrest has three positions: 30° in, center or 30° out (Non-Stop Heavy Duty pivots 15°). To pivot the arm, grasp the arm pad and move it to one of the three positions.

Fully multi-adjustable (10-way) arms are exclusively available on Focus Work.

COLOR PROGRAM

From plastic shell colors to mesh colors to custom match colors, SitOnIt Seating gives designers and specifiers lots of options. The tables below show the color options available by collection.

PLASTICS

Five plastic shell colors are available with a two-day lead time for production. In addition, there are 12 colors with a 3-week lead time. No minimum orders or added costs apply.

CUSTOM MATCH COLORS

SitOnIt Seating also offers a custom color program for match-to-sample and Pantone requests. Please contact your manufacturing representative for details.

CUSTOM FINISH PROGRAM

Our Stain-to-Match Program is designed to match your distinctive wood stain finish on our wood surfaces.

PRICING

First-time custom stains must be approved before acceptance of an order. A one-time net fee applies if stains are not in our library. Thereafter, a stain-to-match upcharge is applied to each chair. The upcharge is waived if 50 or more units are ordered.

SitOnIt Seating

Stain not in our library: \$350

Stain-to-match upcharge: \$55

IDEON

Stain not in our library: \$275

Stain-to-match upcharge: \$70

APPROVAL PROCESS

Since all new stains must be approved before they can be applied to seating or tables, allow extra time. Custom finishes generally require at least one to two weeks to create a matched sample and then we will need the signed Approval form before we can accept your order, schedule it for production and acknowledge a ship date. We reserve the right to decline the opportunity to match a finish color.

1. Send a 3" x 4" or 4" x 6" sample of the stain, along with the model numbers and options to which the finish will be applied, to:

Customer Support
Custom Finish Program
6415 Katella Avenue
Cypress, CA 90630

Include dealer name, contact and project reference.

2. Once approved, we will send a finish sample to you along with any caveats that may apply. We will keep an identical sample in our files for future orders. Custom finishes generally require at least a week to create a matched sample.
3. Carefully review the sample. Note the STAIN ID# (example: SM#070214-1); this will be needed for your order. Return the signed approval form to Customer Support along with your order. We need your approval before we can accept the order, schedule it for production or acknowledge a ship date.
4. IDEON orders using our stain-to-match program will have a lead time of 15 days.

ORDERING

When ordering, enter the approved STAIN ID# in the Material section of the Final Price Calculation worksheet or on your purchase order.

CUSTOM FINISH TERMS & CONDITIONS

Wood is inherently beautiful because of natural variations in color, grain and texture. There may be minor differences from one chair to the next, even though they are finished at the same time. We cannot guarantee exact matches of grain or natural wood color.

CHOICES & OPTIONS TASK CHAIRS

Compare chairs within categories with these handy charts. Task chairs, executive and conference chairs, side, multi-purpose and bariatric chairs and stools are grouped together to permit a quick comparison of key choices and options. Then, go to the Price Guide for detailed information on specific models within a collection.
