

# Transit™

Conference Management Executive

## Features

- Transit's two control options and two back heights make it the perfect solution for conference, management, and executive applications.
- Transit's back is both concave and convex for a stylish look and enhanced ergonomic performance.
- Transit's seat is sculpted using dual density, high resiliency foam for both comfort and durability.
- The waterfall seat front promotes better circulation when seated for long periods of time.
- Choose from over 270 stylish fabrics from SitOnIt's swatchcards available in 2-5 days, or select from our handsome vinyls and grade 1 leathers for a luxurious look and feel.
- Every Transit chair comes with a lifetime warranty on all structural components and a five-year warranty on foam and fabric.

## Control options

### Knee tilt (K)

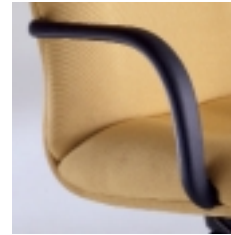

- A** *Tension control with knee tilt* for a firmer or softer recline—the knee tilt keeps feet flat on the floor when reclining
- B** *Tilt lock* locks your chair in an upright position for full tasking support
- C** *Pneumatic lift* easily adjusts to the perfect seat height

### Swivel tilt (T)

- A** *Tension control* for a firmer or softer recline
- B** *Tilt lock* locks your chair in an upright position for full tasking support
- C** *Pneumatic lift* easily adjusts to the perfect seat height

## Arms

### Arm

A streamlined loop design with a urethane coating and steel inner structure provides a soft surface with increased durability.

## Base options

### Black resin

A black resin base features one-piece, reinforced construction for durability and a smooth ride.

### Brushed aluminum

The sleek brushed aluminum base can handle years of wear and resists scratches and abrasions.
