# work from home

#### SEATING

All-day energy requires all-day ergonomics – and the comfort that comes from commercial-quality engineering. Find at-work support and at-home styling with two award-winning chairs.

Modern and made to be the best seat in your house. Novo delivers a "corner office" experience with superior ergonomics, comfort-first design and easy adjustment options for making it look and feel almost any way you want.

Options include armless or height-adjustable arms

Customize comfort with fixed or adjustable seat depth

Midback and highback versions include adjustable lumbar support

Zoom through meetings all day with an in-style, on-trend solution for working at home. Our popular Wit comes with a variety of ways to dial in comfort, cozy mesh options and a built-in pull handle so you can grab and go (to work).

Built-in pull handle makes it easy to grab and go

Easy-slide lumbar helps dial in support

Soft, cozy mesh backs you with comfort

Comfort at home is finding a fit that's perfectly you

Easy assembly elevates your work in 10 minutes (or less)

Soft-touch buttons provide whatever change you're feeling

#### DESKING

The foundation of productivity is a dedicated place to work. Choose between an industry bestseller and a brand-new, space-saving design.

## switchback® - Home Edition

Stand or sit, mix it up with the press of a button. The Switchback Home Edition height-adjustable desk elevates the way you work with programmable controls, anti-collision technology, quick and easy assembly, and 14 different ways to customize with base + top combos — including our eco-friendly bamboo.

# reya® - Home Edition

Escape the clutter (and kitchen table) with our new patent-pending desk designed for everyone. Featuring an array of color and finish options, the light-scale design and rounded, ouch-free corners of Reya make it a perfect fit for any room. Go from box to work in 60 seconds – no tools needed.

Rounded corners make it safe for hips and kids (and hip kids)

Assembles in 60 seconds or less

Every Reya includes a simple way to manage wires

# reya<sup>™</sup> bamboo Home Edition

It's everything you love about Reya, and it's good for the planet. Our naturally durable bamboo is sourced from sustainable, pesticides-free forests that produce 35% more oxygen. Every tree is fully matured and harvested by hand to preserve root structure while minimizing environmental impact.

## California born and bred

We're a leading manufacturer of commercial solutions in the U.S. - and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine awardwinning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.
