

Cora™

SitOnIt • Seating®

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.

Smart, safe and sound

With expert insights from Certified Healthcare Interior Designers® (CHID), Cora was designed to withstand the high demands of our modern spaces. It's a research-driven solution engineered for cleanability, reliability and durability – while ensuring central comfort and cohesion across every model.

Endearing design. Enduring support.

Built on rigid steel construction, Cora can stand up to heavy-use environments and is designed to meet essential requirements across critical industries and multiple shifts, including updated specifications for higher weight capacity and larger sizes in healthcare. The entire collection features five models: guest (500 lb), midsize (600 lb), bariatric (750 lb), easy-access hip chair (500 lb), and stools (500 lb).

Meets BIFMA LEVEL, GreenGuard Gold, and BIFMA x5.1 to x5.41

Closer look

/ Field-replaceable components make all models easy to maintain

Guest model (500 lb)*

Bar or counter stool (500 lb)*
