ENVIRONMENTAL DATA SHEET

July 19, 2018

Built for durability & versatility.

The transitional design of Freelance side chairs works well in lobby areas, workstations and offices. The comfortable, curved seat and structural integrity has made it a high-demand, multipurpose chair. Three frame/arm finish combinations create variety. Add casters or arms, a book rack or tablet arm for ultimate mobility and flexibility in training rooms and collaborative spaces. Freelance is a broad collection of 4-leg, sled and bariatric chairs, counter and bar stools.
