Freelance®

## California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.

## Designed for anything

Freelance makes hard work look easy. It's engineered to withstand the standards of high-demand, multipurpose spaces. You can customize the entire collection to fit an array of environments, while accommodating a wide range of sizes (and people).

Especially versatile. Endlessly comfortable.

Stackable and lightweight, our Freelance is ideal for spaces that call for quick setup and speedy stowing. Its durability and convenience work well with a comfort-minded design that centers on essential ergonomics.

Our Freelance bariatric chairs come in models that support various weight capacities. All of them look identical to the standard upholstered models, so users won't feel singled out. The 19" seat height combined with the sturdy, pinch-proof arms makes it easy to transition to and from a wheelchair. Most models are compatible with Sector seating screens.
