InFlex®

SitOnIt • Seating®

## California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.

## Style that stacks up

This multipurpose, flex-back stacking chair offers contemporary styling and spine-friendly comfort—at an affordable price. Versatile InFlex comes in both plastic stacking side models and upholstered side, task and stool versions.

*Designed by  
Giancarlo Piretti*

Form meets flex

The contemporary styling of this Piretti chair emulates the human spine. Its innovative flex-back disc system, with 13 degrees of back angle range, is as clever as it is comfortable.
