

## Feature Spotlight

### Smart Choice. Everyday.

When the RFP calls for an upholstered task chair but the budget doesn't fit Focus Work or ReAlign, call up Knack. Knack is a durable, all-around task chair with essential features that add value for a price-conscious business.

- Task chair and task stool models
- 5 mechanism choices
- 3 arm styles
- Multiple options

Knack offers the choice of basic, swivel tilt, basic synchro, enhanced synchro and multi-function mechanisms for adjustability and comfort control.

Fixed loop, height adjustable and height/width adjustable arms—as well as armless—accommodates many different office tasks.

Individualize a work area or entire facility with sensible options. A Heavy Duty 24/7 option with 350 pound weight capacity is available for 3-shift and bariatric applications. And optional ballistic nylon adds extra durability and helps protect from sharp objects.

## THE RIGHT FIT

Knack includes a standard back-height adjustment so every user can enjoy individualized upper-back and lumbar support. The optional seat depth adjustment makes this a great chair for taller users.

The classic Knack task stool is an ideal addition to laboratories, nursing stations and break areas. The stool can be specified with standard or extended cylinder.

Traditional styling with a rounded profile and a thick cushioned seat make Knack ideal for commercial, government, education and healthcare markets.
