# LAMINATE COLOR PROGRAM

## Full Laminate Color Program

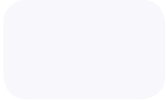

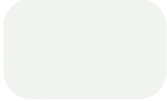

Two grades of laminate are available for specification on select products. TFL (thermally-fused laminate) is a practical, budget-friendly laminate for lighter-use surfaces. HPL (high-pressure laminate) is a more durable, higher-performance laminate designed for heavy use, with stronger resistance to wear, scratches, and impact.

The following collections are available in the full array of our laminate colors:

Cameo, HiQ, Kindl, Laminate Modesty Screens, Ocala, Parallon flat edge, Prise, Surge, Switchback, and Tensor.

Finish Color	Code
