SitOnIt • Seating®

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.

How often do you switch gears?

Meet the last nester you'll ever need. Whether you're setting up, breaking down or making space for spontaneous collaboration, today's modern workplace calls for high-design seating solutions that can keep up with it all. Enter Movi: our lightweight flexing nester with a slim, modern frame and extra flexibility built right in for comfort all day long.

Move. Shift. Readjust. Repeat.

For all those quick touch-bases that end up being anything but, there's Movi. With up to 14 degrees of flexible support at the hip, the Movi helps distribute pressure evenly across the back and seat for better, long-term support.
