Endless flow. Effortless form.

Ozmo takes its cue from the infinite elegance of a Mobius strip — delivering a continuous curve of comfort, style and motion. With arms that wrap around like a ribbon, a featherweight frame that moves with you, and a breathable mesh back made for busy days, this design brings sculptural beauty and everyday function into perfect alignment.

The art of ease

Ozmo pairs effortless comfort with essential functionality. A breathable mesh back (yes, it's bleach-cleanable) combines with a comfortably padded seat for all-day support. Choose between a swivel-tilt mechanism for full-range flexibility or height-adjust-only for streamlined simplicity. Either way, it's comfort without complication.

In motion or in meetings, Ozmo fits right in with a flowing form made for modern offices.
