

SOI/IDEON Coated Fabrics Comparison

SitOnIt • Seating® 

Say hello to Sili-Tex!

Meet the most premium textile in our portfolio yet.

For many years, we've been offering Slide and Element, our vinyl and polyurethane textiles which have been available on our SitOnIt and IDEON lines. We're proud to announce that we've developed a newer, more durable textile (our most premium yet). Introducing Sili-Tex, your new coated textile option that fights off rubs and stains like a champ. Available in Sili-Tex Original and Sili-Tex Leather, find out how this newcomer stacks against our other offerings:
