What Is Greenhealth Approved™?

The Greenhealth Approved™ seal ensures that products meet strict environmental criteria, helping healthcare organizations make informed, sustainable purchasing decisions. This independent certification makes it easier to choose solutions that support both people and the planet.

Manufacturer products submitted to be Greenhealth Approved™ must first be BIFMA Level certified, including optional credit 7.4.4 Targeted Chemical Elimination.

Products must not contain:

- Formaldehyde
- PFAS (Per- and Polyfluoroalkyl Substances)
- PVC (Polyvinyl Chloride)
- Antimicrobials
- Flame Retardants
