Cameo®

## California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.

## Sleek, chic + unique

Tap into timeless beauty with a new take on an old classic. Cameo dares to move past tufted, boxy and overly square designs — both in shape and attitude — in style, with sophistication and a variety of looks reserved for the VIP suite.

*Designed by  
Claudio Bellini*

## Look and feel of floating

The cozy comfort of Cameo can send you soaring, and its looks are just as weightless. While base legs of other collections simply push seats off the ground, the slim ribbons of Cameo keep them from floating away.

(and a lasting impression)*
