

# Price Guide 2018

Effective November 5, 2018

**IDEON®**

With the fastest lead time in the industry, SitOnIt Seating® and IDEON® offer high-quality seating that combines award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for build-to-order seating since 1996.

Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder® tool lets you design your dream chair with just a few clicks.

With chairs, sofas and stools for every desk, space and environment, the possibilities are endless.

Discover premium seating solutions—at a fraction of the price.

## DESIGN THAT GETS YOU

Discover seating engineered around you. Experience responsive design, supreme comfort and hyper-customizable features all at value-driven prices.

## OUR BUILD-TO-ORDER PROMISE

Custom-designed chairs, no waiting. Our nimble size and lean manufacturing operation mean we can ship build-to-order chairs starting from just two days.

## FASTEST SHIPPING IN THE INDUSTRY

Choose from two, five or 10-day shipping. We cut lead time, sync orders and avoid off-schedule shipments at a rate our competitors just can't match.

## WORLD-CLASS SERVICE

We're proud to announce that we were voted "Best Customer Service" by the Office Furniture Dealer Alliance three times in the past five years.

## AFFORDABLE & EASY

You'll get more for your dollar with any SitOnIt Seating or IDEON product. All we do is make great seating and deliver it fast, backed by an outstanding customer service experience before, during and after each sale.

## DURABILITY

All our high-quality products are developed and sustainably built, making our products a cost-effective solution for any location.

*We make it easy to go green. Design an eco-friendly room from the ground up or upgrade an existing space to meet the latest environmental standards.*

## ANSI BIFMA

### ANSI/BIFMA CERTIFIED

SitOnIt Seating and IDEON are members of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by BIFMA are approved by the American National Standards Institute (ANSI) to determine the strength and durability of seating. Although testing is not a warranty or guarantee, our products meet or exceed BIFMA and ANSI standards.

### LEED CERTIFIED

Earn points toward LEED certification thanks to our U.S. manufacturing location and our use of recycled materials where possible.

### GREENGUARD CERTIFICATION

All SitOnIt Seating and IDEON products met the rigorous criteria required by Greenguard Gold in accordance with the Collaborative for High Performance Schools.

### LEVEL CERTIFIED

Sustainability matters. That's why we've worked to achieve BIFMA level® certification for all SitOnIt Seating and IDEON Seating products.

### THE TAKE BACK PROGRAM

SitOnIt Seating and IDEON help minimize product waste by connecting our customers and dealers with third-party groups who re-direct materials that would be headed for the landfill to local non-profits and public agencies.

### WE DID OUR HOMEWORK

Download detailed documents that break down the percentage of recycled content, manufacturing processes and indoor air emissions for every chair we make.

## PRICING

All prices are suggested retail and are subject to change without notice. Visit our websites or contact Customer Experience for the latest pricing. Prices in effect at the time of shipment will prevail. We reserve the right to make changes in prices, models, fabrics, finishes, materials and specifications, and also discontinue models and options at any time without notice.

## ORDERS

Specify model number, quantity, desired delivery date and all other applicable information. Order templates can be found in the applicable Price Guide. Orders will be accepted with an acknowledgment form governing the transaction. In the event an error is made in the manufacture of the product, the acknowledgment will be used as the resolution document. Submit orders by email or fax:

### SitOnIt Seating

Email: [purchaseorder@exemplis.com](mailto:purchaseorder@exemplis.com)  
Fax: (714) 995-4855

### IDEON

Email: [purchaseorder@ideondesign.com](mailto:purchaseorder@ideondesign.com)  
Fax: (714) 995-4855

## ORDER SIZE

No minimum order is required. Large orders may require additional lead time:

### SitOnIt Seating

All orders in excess of 250 units

### IDEON

Aviera: 50+ seat positions  
Arioso, Composium, Nano and Visit Modular: 25+ seat positions

Contact Customer Experience for details.

## QUANTITY DISCOUNTS

Quantity discounts for CAL 133 textiles and some shipping methods are available. See the appropriate Price Guide or contact Customer Experience for more information.

## CHANGE ORDERS

Orders that have been scheduled for production may not be changed. All changes on customer orders previously acknowledged must be requested in writing and are subject to approval. Requests for changes are not deemed accepted until acknowledged. In the event a revision is accepted, change fees may apply.

## ORDERS FOR PARTS

Multiple shipments may occur for orders that include parts. Hardware such as casters or cylinders will ship separately from items requiring upholstery or manufacturing labor. Multiple shipments will also occur if an order combines both parts and new chairs.

## PRODUCT MODIFICATION

Special requests are available and additional charges will be determined per quotation. Up to five working days are required after the special request is received to prepare a quotation. Contact Customer Experience for details.

## CANCELLATION AND RETURNS

Orders that have entered any stage of production cannot be canceled. Request for cancellations are not accepted until acknowledged. In the event a cancellation is accepted, cancellation charges may be imposed for the entire amount of the order. Authorization for return must be requested from and approved by Customer Experience prior to the return of the merchandise. Returns may be subject to a restocking charge equivalent to 40% of the net order plus freight. Unauthorized returns will not be accepted.

## LEAD TIME

We have thousands of carded textiles – including vinyl and leather – that ship in two, five or 10 days. For a complete listing of textile lead times, see the Carded Textile Program section of the Textile Information Guide or visit the Textiles tab on our websites. Graded-in, COM and COL orders start production when the textile arrives from the manufacturer.

### SitOnIt Seating

Lead time is two, five or 10 days based on the textile. Plastic shell colors are available in two days to three weeks. Tablet arms require three weeks.

### IDEON

Lead time is 10-days. Products specified with Stain to Match have a lead time of 15 days.

Orders received by 10 a.m. Pacific Time begin assembly the next day. Orders that are “On Hold” will begin production only when all holds are released. Types of holds include:

- Credit Hold for issues related to billing and invoicing.
- Incomplete Hold if the purchase order is incomplete or illegible.
- Pricing Hold if the price on the purchase order does not match the pricing shown in the Price Guide or in our computer system.
- New Fabric Hold for non-standard textile orders without an inventory part number.
- Graded Hold is placed by the Purchasing Department while confirming delivery of graded fabric from the vendor.

Customer Experience will notify you of any holds placed on your order.

## PRODUCT AND DESIGN CHANGES

We reserve the right to discontinue product lines, models and parts at any time. We also reserve the right to make changes in design and material when such action is deemed to be an improvement in design, function and/or construction.

## MINIMUMS

### SitOnIt Seating

There is no minimum requirement. Standard transportation freight costs are included in the price of the product.

### IDEON

The freight program is designed to be delivered freight prepaid to the designated consignee, based upon a minimum of three or more items. If the shipment does not meet the minimum unit requirement, a surcharge of \$95 net per shipment will be assessed. Multiple orders for IDEON products may be combined to meet the three-piece minimum requirement, as long as all items are shipping on the same day to the same delivery location. Due to different carriers and shipping methods IDEON cannot be combined with SitOnIt Seating products to meet the three-piece requirement.

## FREIGHT TERMS

Freight terms apply to the continental U.S. only. This excludes Alaska and Hawaii. All standard transportation services and freight costs are included in the price of our products. We ship Freight Prepaid and Allowed, FOB and Origin.

Shipments outside the contiguous U.S. are shipped to the point of embarkation free of charge, if the shipment meets the minimum requirement. All subsequent freight charges will be at the customer's expense, shipped collect.

Because of the fluctuation of fuel prices we reserve the right to impose fuel surcharges for any shipments.

## SHIPPING

Standard shipments are made via common carrier, unless otherwise specified. Special routing requests made by the customer or the consignee may result in additional charges.

Standard deliveries are dock-to-dock and are scheduled to occur Monday through Friday between 8 a.m. and 5 p.m., based on our published transit times. We will not be held responsible for issues or costs arising from carrier transit delays, missed delivery appointments, etc. We reserve the right to charge for non-standard customer delivery requirements that may include order deliveries, inside deliveries, etc. For information concerning these charges contact Customer Experience.

Shipments are not guaranteed. Expedited service is available at an additional cost. We will work to arrange a specific delivery timetable with the carrier. Expedited services contracted with carriers are done solely at the request of the customer, and we in no way assume responsibility, either financial or otherwise, for any costs incurred as a result of a service failure on an expedited shipment. Contact Customer Experience for more information.

## FREIGHT DAMAGE

We are not responsible for product damage occurring in transit or during storage. Before accepting a shipment from the carrier, carefully review the packing list and inspect the quantity and condition of the items. Promptly document all visible damage on the Bill of Lading and request a carrier inspection of the product. In the event of damage, accept the order and contact Customer Experience for issue resolution. Concealed damage must be reported in writing within 15 days of accepting delivery. We will take all reasonable steps to assist customers in resolving claims for loss or damage.

## WILL CALL

Customers with Will Call orders will be notified once orders are ready to be picked up. Customers will have three business days from notification to pick up the order. If the order is not picked up within this time frame, storage charges will start at a rate of \$30 per business day until the order has been claimed..

## INVOICING

Invoicing is triggered when the product ships.

*Fire safety is a top priority for us. SitOnIt Seating and IDEON strongly support CAL 133 standards and make it easy for designers and buyers to specify CAL 133 chairs.*

## TB 117

Under California law, all upholstered furniture must meet TB 117-2013 by January 1, 2015. At a minimum, all SitOnIt Seating and IDEON fabrics, vinyl, leathers and resilient filling material (i.e., foam and Dacron) meet TB 117-2013. Unlike TB 117-2013, which tests only the inner upholstery components, with CAL 133 the entire piece of furniture must withstand ignition from a gas burner inside a testing chamber.

## WHAT IS CAL 133?

CAL 133 is a standard of furniture flammability required by the California Bureau of Home Furnishings and Thermal Insulation for furniture used in public buildings such as healthcare facilities, convalescent homes, public assembly areas of hotels and motels, hospitals, board and care homes, stadiums, licensed child care facilities, prisons and jails.

## CHOOSING CAL 133 TEXTILES

Consult the individual SitOnIt Seating and IDEON fabric cards to review the specifications for each fabric offered. Because we offer such a vast array of fabrics with varying degrees of flame retardancy, we suggest you consult the published technical data of the fabric supplier when making your fabric selection.

Specify CAL 133 textiles in the Material section of the Final Price Calculation worksheet or on your purchase order.

SitOnIt Seating and IDEON assume no responsibility for the flame retardancy of any customer-provided textile.

## CAL 133 APPROVED MODELS

The following models when combined with approved textiles and blocker meet the CAL 133 standard:

### SitOnIt Seating

Achieve – Upholstered  
 Amplify – Upholstered and all mesh colors  
 Anytime – Upholstered and all plastic colors: A48, A49 (arm & armless)  
 Focus Executive – A98, A99 (arm & armless)  
 Focus Side – Upholstered and all mesh colors A130 (arm & armless)  
 Focus – A91, A92, A93, A94, A95 (arm & armless)  
 Freelance – Upholstered and all plastic colors (arm & armless)  
 Freelance Heavy Duty  
 Glove Executive – A26FR  
 Glove Active – A26FR, A27FR, A27LFR, A28FR, A28LFR  
 InFlex – Upholstered and all plastic colors: A121, A122 (arm & armless)  
 Knack – A77, A80, A81 (arm & armless)  
 Lumin – Upholstered and all plastic colors  
 Movi – All mesh colors  
 Non-Stop Heavy Duty – A67, A68, A69, A70, A71, A72 (arm & armless)  
 OnCall – Upholstered and all plastic colors: A37FR, A42FR (arm & armless)  
 Novo – All mesh colors (arm & armless)  
 Prava – A105, A106, A108, A109, A111, A112 (arm & armless)  
 ReAlign – A73, A74, A75, A76, A77 (arm & armless)  
 Relay – Upholstered and all plastic colors: A60, A61 (arm & armless)  
 Rio – Upholstered and all plastic colors (arm & armless)  
 Rowdy – Upholstered and all plastic colors: A47 (arm & armless)  
 Social – Upholstered (arm & armless)  
 Sona – A101, A102, A105, A106, A108, A109 and all knit colors (arm & armless)  
 Torsa – All mesh colors (arm & armless)  
 TR2 – A12FR, A15FR, A17, A43FR, A44FR (arm & armless)  
 Wit – All mesh colors (arm & armless)  
 Wit Side – All mesh colors (arm & armless)

## CAL 133 TESTING

CAL 133 is a full-scale fire test for furniture manufactured for use in public buildings. The standards do not specify how to construct furniture, but only how it should perform when tested. To pass this fire standard test, a fire blocking liner is sandwiched between the foam and the fabric of our chairs. This liner acts as a fire extinguisher by smothering the flame.

COM/COL compliance for CAL 133 models listed above can be determined by specifying upholstery with the exact characteristics as approved textiles or by conducting a full chair burn test. There is a non-discountable test fee for each chair-textile combination plus the cost of the chair. The lead time for testing is four weeks.

### SitOnIt Seating

\$600

### IDEON

\$800

For more information on TB 117-2013 and CAL 133 visit the State of California Department of Consumer Affairs website.

## TO ORDER CAL 133

Allow a 10-day lead time. Clearly specify CAL 133 on your order. For each chair add the appropriate additional charge.

## CAL 133 COM/COL

COM/COL compliance for CAL 133 models listed above can be determined by specifying upholstery with the exact characteristics as approved SitOnIt Seating fabrics and leathers or by conducting a full chair burn test. The non-discountable test fee for each chair-textile combination is \$600 net plus the cost of the chair. The lead time for testing is four weeks.

## CAL 133 LEATHER

All carded leather is CAL 133 approved.

## CAL 133 PLASTIC

All our plastic chairs are CAL 133 approved except our Achieve collection.

## CAL 133 TEXTILES

Over a thousand CAL 133 approved textiles in all grades, colors and styles are listed on the SitOnIt Seating website. Visit [sitonit.net](http://sitonit.net) and search textiles by CAL 133 compliance, manufacturer, grade, lead time and other attributes.

## TO CHECK PURCHASED SEATING FOR CAL 133

To determine whether your current SitOnIt Seating chair meets CAL 133, or to check an order you have recently received, check the bottom of the chair seat pan for the label shown below. If your chair does not have this tag, your chair does not meet CAL 133.

### NOTICE

This Article is manufactured for use in public occupancies and meets the flammability requirement of California Bureau of Home Furnishings technical bulletin 133. Care should be exercised near open flame or with burning cigarettes.

## UNMATCHED PATTERN MATCHING

IDEON is the industry leader in pattern matching. Our PatternMatch® expertise links patterns to chair components for a unified look across the back, front, seat and valance. Fabric for the right and left arms are cut to be mirror images. With this technology, every chair is a perfect match.

And the match can be replicated, even years later. If a replacement seat, back, valance – or even a complete chair – is needed, PatternMatch ensures the replacement perfectly matches the original.

## MULTI-UPHOLSTERY

The multi-upholstery option allows one fabric to be selected for the back and a different fabric for the seat. Multi-upholstery pricing is different for SitOnIt Seating and IDEON.

### SITONIT SEATING

Upholstery pricing is based on both seat and back being the same textile. Otherwise:

- If two fabrics of the same grade are chosen, one grade level will be added to the upholstery price. Example: grade 4 for the seat and a different grade 4 for the back, the upholstery price will be grade 5 for both.
- If two fabrics of different grades are chosen, the final upholstery price will be based on the highest grade. Example: grade 2 for the seat and grade 3 for the back, the upholstery price will be grade 3 for both.

### IDEON

A standard upcharge applies to all multi-upholstery orders. Different fabrics and grades may be combined because back, seat, arm and valance are separately priced.

- Add the single multi-upholstery upcharge to the cost of the components. Example: upcharge + any grade price for the seat + any grade price for the back + any grade price for the arm.

## MOISTURE BARRIER

Accidents happen. To help protect your investment, moisture barrier for seats and backs is an option on all IDEON seating products.

Specify moisture barrier seats and/or backs in the Material section of the Final Price Calculation worksheet or on your purchase order. Note that specification and pricing is separate for seat and back and applies to each single seat or back position.

## FABRIC DIRECTION

Patterned fabric may be oriented to your liking. Each upholstered component (seat, back, arm, valance) can be positioned independently.

Dotted lines on the chair images on the Custom Upholstery Order Form on page 10 represent how we judge how directional patterns travel. If you wish the pattern to travel according to our standard direction for each component, do nothing or add “S” to the manufacturer/pattern/colorway information on your order. If you wish the pattern to be rotated, select “Rotate Fabric Direction 90 Degrees” in the Final Price Calculation worksheet or add “R” to the manufacturer/pattern/colorway information on your order.

## EXAMPLE

<b>Back or Front &amp; Top Panel (ottoman)</b>		\$
Textile Manufacturer: _____		
Textile Pattern: _____		
Textile Colorway: _____		
<input type="checkbox"/> Rotate Fabric Direction 90 Degrees		

To ensure desired fabric direction, use the Custom Upholstery Order Form on page 10.

All fabric will be applied in the standard direction unless otherwise specified. Since some fabrics may be bi-directional with a subjective dominate direction, IDEON reserves the right to use its own judgment and will apply the fabric in what is determined to be the best manner. To ensure we meet your expectations, some upholstery selections may require visual verification prior to production. Visual verification orders will not be scheduled for production or acknowledged with a ship date until the customer has approved the visual image.

## COM/COL WARRANTY

Any textiles applied to furniture orders through the COM/COL process will not be covered under warranty by SitOnIt Seating/IDEON. Any warranty claims for these upholstery materials will fall to the original vendor of the fabric. With a broad spectrum of harsh cleaning agents used by facilities, SitOnIt Seating/IDEON recommends that the owner test each fabric selection with their specific cleaning methods before using. Additionally, SitOnIt Seating/IDEON is not held responsible for receipt of defective fabrics, as we apply all COM as first quality goods.

## CAL 117 POLICY

SitOnIt Seating/IDEON assumes no responsibility for the fire retardancy of any COM/COL. Customers are solely responsible for making sure that their COM/COL complies with all applicable codes and regulations. For information on CAL 133 refer to page 6.

## COM/COL PROCESS

1. Visit the IDEON Textile Compatibility website to see if your COM/COL textile has already been approved. If your textile is already approved, skip to step three. If it hasn't been previously approved, go to step 2.
2. Send a 12" x 12" textile swatch to be tested for approval along with a completed COM/COL Test Request Form found on the next page. Allow two business days once your textile is received for the test results to be available on the IDEON Textile Compatibility website. Send the textile swatch and form to:

SitOnIt Seating/IDEON,  
Attn: COM Engineer  
6280 Artesia Blvd.  
Buena Park, CA 90620

3. If the COM/COL swatch is approved, fill out the Customer Upholstery Form located on page 10 and attach with your order.
4. Ship the necessary amount of COM or COL material and the purchase order number to:

SitOnIt Seating/IDEON,  
Attn: COM Engineer  
6280 Artesia Blvd.  
Buena Park, CA 90620

## COM EXCESS YARDAGE

SitOnIt Seating/IDEON is not responsible for yardage submitted to us beyond the required amount. Excess COM/COL materials will be discarded at the discretion of SitOnIt Seating/IDEON unless otherwise instructed by the customer at the time the order is placed. If a customer requires the COM/COL excess yardage returned, they must contact Customer Experience to make arrangements. The customer will be responsible for delivery charges.

Vertical or Off The Roll

Horizontal or Railroaded

## STEPS TO CALCULATE COM YARDAGE

1. Determine which products are being ordered as COM
2. Find the yardage needed to upholster those products from the COM Yardage Requirement charts
3. Adjust the yardage requirement total based on the repeat of the fabric roll using the COM Repeat Calculation table
4. Take the final calculation and round up to the nearest half-yard to get final yardage

For orders of 10 or more, contact Customer Experience for further quoting.

## COM CALCULATION EXAMPLE

Below is a hypothetical scenario for how total COM yardage should be determined. This example is for a patterned textile that has a repeat.

### STEP 1: DETERMINE WHICH PRODUCTS ARE BEING ORDERED AS COM.

For this example order, we'll assume we need to order:

- Two 24" W Aviera Guest Single Chairs – only the seats are COM.
- One Composium Sofa – only the backs are COM.

### STEP 2: DETERMINE THE COM YARDAGE REQUIREMENT.

Looking at the COM Yardage Requirements chart that begins on page 12, we see that the following yardage amounts are needed for each product:

- Two 24" W Aviera Guest Single Chair  
Seats = 2.2 yards
- One Composium Sofa Back = 5.8 yards.
- Adding 2.2 yards and 5.8 yards, we get a total of 8 yards.

### STEP 3: ADJUST THE YARDAGE REQUIREMENT TOTAL BASED ON REPEAT.

Since the textile we've chosen is a pattern with a repeat, we should look at the repeat calculation table (on page 15) to determine our multiplier. For this example, let's assume our repeat is 6" and we're upholstering the fabric vertical/off-the-roll. Based on the table, the multiplier is 20%. Now, we need to take the 8 yards from step 2 and increase it by 20%. An easy way to calculate this is by multiplying 8 by 1.2, which gives us 9.6 yards.

### STEP 4: ROUND TO GET THE FINAL AMOUNT NEEDED.

To determine how much yardage is needed to complete this order, we take the amount from step 3 and round it to the nearest half-yard. In this case, that means the customer needs to send SitOnIt Seating/ IDEON 10 yards to complete this order.

# COM YARDAGE REQUIREMENT

Combining upholstery is an option on all IDEON upholstered products. Below are matrices outlining the fabric or vinyl requirements for the entire chair as well as individual pieces. All yardage requirements are quoted in terms of yards. Please contact Customer Experience for order quantities greater than 10 seats. **Please note that yardage requirements for all "two chair" options listed below are calculated based on both chairs using the same fabric choice.**

## ARIOSO

ARIOSO CLUB CHAIR	Total	Seat Only	Back Only	Both Arms
One Chair	6.3	1.9	2.5	3.5
Two Chairs	11	3	4.4	6.1
ARIOSO SETTEE	Seat & Back	Seat Only	Back Only	Both Arms
One Chair	8.5	3.8	4.7	3.5
Two Chairs	15	6	8.2	6.1
ARIOSO SOFA	Seat & Back	Seat Only	Back Only	Both Arms
One Chair	11.6	4.5	6.5	3.5
Two Chairs	20.4	9	13	6.1
ARIOSO OTTOMAN	Total	Seat Only	Valance	
One Chair	1.9	1.9	1	
Two Chairs	3.3	2	1.5	

## AVIERA

AVIERA GUEST – SINGLE CHAIR OR START/CENTER/END	Seat & Back	Seat Only	Back Only	AVIERA HIP CHAIR	Seat & Back	Seat Only	Back Only
21" W - One Chair	1.9	1.2	1.1	21" W - One Chair	1.9	1.2	1.1
21" W - Two Chairs	3.8	1.9	2.1	21" W - Two Chairs	3.8	1.9	2.1
24" W - One Chair	1.9	1.2	1.6				
24" W - Two Chairs	4.3	2.2	3.1				
30" W - One Chair	3.1	1.2	1.9				
44" W - One Chair	3.4	1.6	1.9				
AVIERA GUEST – FREESPAN OR PRECON- FIGURED	Seat & Back	Seat Only	Back Only	AVIERA PATIENT – SINGLE CHAIR OR START/CENTER/END	Seat & Back	Seat Only	Back Only
2-Seat 21" W	3.8	1.9	2.1	21" W - One Chair	2.8	1.2	1.9
3-Seat 21" W	5.6	3	3.1	21" W - Two Chairs	4.8	1.9	3.5
2-Seat 24" W	4.3	2.2	3.1	24" W - One Chair	2.8	1.2	2.2
3-Seat 24" W	5.9	3	4.7	24" W - Two Chairs	5	2.2	4
				30" W - One Chair	3.8	1.2	2.5

Yardage requirements are for solid textiles. If your textile has a pattern, make sure you utilize the COM Repeat Calculation on page 15.

**COMPOSIUM**

COMPOSIUM CLUB CHAIR	Total	Seat & Back	Seat Only	Valance	Both Arms	Single Arm

Yardage requirements listed in this document are based on textiles bolts/rolls that are 54" wide. Please contact Customer Experience if goods are a width other than 54" W. Please use the guide below to calculate the percentage of extra upholstery cover required to cover large repeats. The calculations below are based on utilization of our standard PatternMatch technology. For calculations that do not utilize this technology, please contact Customer Experience.

If you want to know more about our PatternMatch technology, refer to the Fabric section on page seven.

REPEAT	RAILROADED/HORIZONTAL OR VERTICAL/OFF-THE-ROLL
2 - 3"	10%
3.1 - 5"	15%
5.1 - 7"	20%
7.1 - 10"	27%
10.1 - 14"	40%
14.1 - 20"	60%
20.1 - 27"	70%

With routine care and maintenance, your new SitOnIt Seating or IDEON chair should provide years of comfortable and trouble-free seating. Occasional light cleaning is all that is necessary.

Chairs are made from a variety of materials including plastic, metal, wood, laminate and fabric. Each material has specific cleaning requirements. Follow the general guidelines below for best results and preservation of the warranty.

- Regularly clean chair fabric by vacuuming or light brushing
- Always check code before deciding which cleaning products to use
- Test cleaning product in an inconspicuous area first to guard against color bleeding or fabric shrinkage
- Follow all directions and advice of cleaning agent manufacturer

## PLASTIC

“Plastic” is commonly used to describe a multitude of chair components, from polyurethane shells and hard nylon glides and casters to soft, malleable arm pads and flexible and durable ballistic nylon upholstery.

Ordinary soil acquired through normal use can be cleaned with a damp, soft cloth or sponge and a nonabrasive surface cleaner. If a scrub brush is needed, make sure it has a soft bristle to prevent scratching. Successive cleaning may be required using a soft brush and 70% isopropyl alcohol.

## METAL AND LAMINATES

For normal cleaning, use a damp cloth or wet cheesecloth with a mild, nonabrasive detergent solution. After cleaning, use a damp, clean cloth with water to rinse the surface removing and soap residue then wipe with a clean dry cloth.

Avoid harsh chemical or abrasive cleaning compounds.

## WOOD & VENEER

For optimum wood and veneer care, dust regularly with a slightly damp, soft, lint-free cloth then wipe with a soft, dry cloth in the direction of the grain.

Use cleaning products that advertise “for wood use.” Avoid harsh chemical or abrasive cleaning compounds. Mild detergents or other solvents such as isopropyl alcohol will degrade the clear coat and sealer over time. For best results use products free of wax and silicones.

## FABRIC

SitOnIt Seating and IDEON have adopted industry standards for fabric cleanability. Fabrics are marked with a code indicating the appropriate cleaning method. This information is available on the textile cards for the various collections and is available on our website at [sitonit.net](http://sitonit.net) or [ideondesign.com](http://ideondesign.com). The code may be printed on a label under seat cushion. Use the following cleaning codes as a guide for spot removal and overall cleaning.

CLEANING CODE	DESCRIPTION
<b>BC:</b>	Bleach cleanable. Bleach cleanability is desirable for any fabric that may need to be disinfected or sterilized. All mesh fabrics are bleach cleanable. The Centers for Disease Control recommends a 1:10 diluted solution of household bleach for these purposes.
<b>D:</b>	Dry clean only.
<b>L:</b>	Clean with warm water and mild soap.
<b>S:</b>	Only pure, water-free solvents may be used.
<b>W:</b>	Water-based cleaning agents or foam may be used.  <b>CAUTION:</b> Use of water-based or detergent-based solvents may cause spotting, shrinking and/or permanent water stains. Solvent cleaning agents will not remove water stains.
<b>WS:</b>	Clean with water-based cleaning agents, foam or pure, water free solvents (Energine, Carbona, Renuzit or other similar products). Vacuuming or light brushing is recommended to prevent dust or soil buildup.
<b>X:</b>	Vacuum only. Clean these fabrics by vacuuming or light brushing to prevent accumulation of dust and grime. Weekly vacuuming is recommended.

## CAUTION

Follow the manufacturer's directions printed on all cleaning agents. Wear eye protection and gloves if advised to do so and do not breathe fumes from cleaning solutions.

Before cleaning an unfamiliar material with an untried cleaner it is best to try cleaning a small spot in an inconspicuous area first.

Store and dispose of cleaning materials properly.

Chairs may contain components made from plastic, wood, metal and fabric. Many cleaning materials may work for one material but not another. Use cleaners only on intended surfaces and take care not to spill on other surfaces.

Reference to commercial products or trade names does not imply endorsement by Exemplis or bias against those not mentioned.

*Our stain-to-match program is designed to match your distinctive wood stain finish on our wood surfaces.*

## PRICING

First-time custom stains must be approved before acceptance of an order. A one-time net fee applies if stains are not in our library. Thereafter, a stain-to-match upcharge is applied to each chair.

### SITONIT SEATING

Stain not in our library: \$350 Net

Stain-to-match upcharge: \$55 List

### IDEON

Stain not in our library: \$275 Net

Stain-to-match upcharge: \$70 List

## APPROVAL PROCESS

Since all new stains must be approved before they can be applied to seating or tables, allow extra time. Custom finishes generally require at least one to two weeks to create a matched sample and then we will need the signed Approval form before we can accept your order, schedule it for production and acknowledge a ship date. We reserve the right to decline the opportunity to match a finish color.

1. Send a 3" x 4" or 4" x 6" sample of the stain, along with the model numbers and options to which the finish will be applied, to:

Customer Experience  
Custom Finish Program  
6415 Katella Avenue  
Cypress, CA 90630

Include dealer name, contact and project reference.

2. Once approved, we will send a finish sample to you along with any caveats that may apply. We will keep an identical sample in our files for future orders. Custom finishes generally require at least a week to create a matched sample.
3. Carefully review the sample. Note the STAIN ID# (example: SM#070214-1); this will be needed for your order. Return the signed approval form to Customer Experience along with your order. We need your approval before we can accept the order, schedule it for production or acknowledge a ship date.
4. IDEON orders using our stain-to-match program will have a lead time of 15 days.

## ORDERING

When ordering, enter the approved STAIN ID# in the Material section of the Final Price Calculation worksheet or on your purchase order.

## CUSTOM FINISH TERMS & CONDITIONS

Wood is inherently beautiful because of natural variations in color, grain and texture. There may be minor differences from one chair to the next, even though they are finished at the same time. We cannot guarantee exact matches of grain or natural wood color.

## POWER INFORMATION

Power modules are factory installed. The module is powered using a standard power cord with a plug end for 110-volt operation. Cable management clips ship with every seat for routing of the ten-foot long power cord. Prior to purchasing the power module option, we recommend verifying local building code requirements. The power module option features one electrical receptacle with dual 4.2A USB ports. The electrical receptacle is tamper-resistant and spill-proof. Product is UL listed.

## WARRANTY PERIODS:

Exemplis LLC, d.b.a. SitOnIt Seating and IDEON (hereafter referred to as the Company), warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard eight-hour day, five days per week) for the following warranty periods:

### Lifetime Warranty Coverage:

- All SitOnIt Seating products, except where noted below.

### 12-Year Warranty Coverage:

- Amplify, Torsa, Wit and Novo used in multi-shift (24/7) applications.
- All IDEON seating and tables.

### 10-Year Warranty Coverage:

- Non-Stop Heavy Duty, Freelance Bariatric, and chairs purchased with a Heavy Duty ("HD") or Large and Tall ("LT") option used in multi-shift (24/7) applications.

### Five-Year Warranty Coverage:

- Fabric, foam, knit back, mesh and plastic.
- Power modules and electrical components

### Two-Year Warranty Coverage:

- Fabric and foam cushioning for Non-Stop Heavy Duty, Freelance Heavy Duty and chairs purchased with a HD or LT option.

## THE COMPANY DOES NOT WARRANT

- COM/COL textiles
- Product abuse or misuse
- Failure resulting from normal wear and tear
- User modification of or attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company's installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions and/or have been subject to improper storage
- Floor samples or display models
- Products purchased "as is" and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

## APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will repair or replace with a comparable product, at its option, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid.

This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase.

For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account.

There are no other warranties, expressed or implied, other than those specifically described, including, without limitations, any implied warranty or merchantability or of fitness for a particular purpose. The Company will not be responsible for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

The Company will advise you of the procedure to follow when making warranty claims. Call the Company at the number below to explain the defect. Give your name, address and telephone number. Please be prepared with the model number and sales order number found under the seat of the chair.

**SitOnIt Seating: (888) 274-8664**

**IDEON: (877) 994-3366**

## COMPONENT PRICING

This IDEON Price Guide features component pricing. Component pricing puts you in the driver's seat: it is designed to show you exactly what you are paying for.

The following pages provide the specific product information that will help you price and create a custom model number for your chair, settee, sofa, ottoman or bench.

Begin at step 1 by choosing a model. Work your way through the worksheet by choosing arm, back, valance and foot styles. Select the accessories and textiles you desire (sequence and number of steps will vary depending on product).

The choices you make will either add to or subtract from the prominently listed base price. Standard features add nothing to the base price, and some choices are even a deduction! At the Final Price Calculation step simply enter the item codes and add up the pricing.

Specify the quantity desired and your requested delivery date and fax the worksheet along with your P.O. number, contact information and company's order form including bill to information to (714) 995-4855 or email to [purchaseorder@ideondesign.com](mailto:purchaseorder@ideondesign.com). Or transfer the information to your own company's order form.

All products, prices and codes are subject to change. For the most current information see the IDEON Price Guide online at [ideondesign.com](http://ideondesign.com).

# AVIERA

## GUEST LOUNGE SEATING

The Aviera collection was developed specifically for high traffic areas. The stylish collection includes versatile guest, patient, bariatric and multi-seating, bringing new meaning to the term customizable. Seats can be specified in 21", 24", 30" and 44" widths and there are two back types. Mezzanine and linking tables round out the offering to create an ideal solution for high-traffic entry, reception, waiting and common areas.

Aviera beech and maple chairs are available in four wood stain finishes, and metal chairs are offered in three powder-coat finishes. Tables come in wood veneer or laminate tops with polymer edges. All Aviera wood surfaces feature a silver ion anti-microbial finish that inhibits the growth of mold, mildew and bacteria.

*High traffic. Low stress.*

**\$916**

Aviera guest back chair  
with a 21" maple frame,  
wood open arms and  
grade 1 textile.

## HIP CHAIR

The stylish Aviera hip chair can be specified with maple, beech or metal arms and frames. The 21" wide seat is 24.5 inches from the floor and includes an elevated, non-slip footrest. Choose between three finishes for metal frame chairs or four wood stains—plus stain-to-match—for wood frame chairs.

*High traffic. Low stress.*

**\$1,404**

Aviera hip chair with a 21" maple frame, wood open arms and grade 1 textile.

# AVIERA HIP CHAIR

## CATEGORY: LOUNGE SEATING

## COLLECTION: AVIERA

BASE PRICE: \$1,404

GSA SIN #: 711-16

Designed for high traffic areas, the sturdy hip chair is ideal for entry, reception and waiting areas. An elevated footrest with a non-slip textured surface makes it easy to get into and out of the hip chair.

## FEATURES:

- Designed for use in high traffic entry, reception, and waiting areas
- Lightweight and durable aluminum arms and frame
- Clean-out space between seat and back for easy maintenance
- Aluminum arm and frame will not rust or corrode
- Silver ion anti-microbial wood finishes
- Wall-saver design
- 24.5" seat height
- Field replaceable parts
- Arm design provides support
- Four wood finishes three metal finishes
- Durable polyurethane arm cap in three colors (optional for wood arms)
- Optional upholstered arm inserts
- Optional arm cap
- 350 lb. weight capacity

## PATIENT LOUNGE SEATING

The Aviera collection was developed specifically for high traffic areas. The stylish collection includes versatile guest, patient, bariatric and multi-seating, bringing new meaning to the term customizable. Seats can be specified in 21", 24" and 30" widths and there are two back types. Mezzanine and linking tables round out the offering to create an ideal solution for high-traffic entry, reception, waiting and common areas.

Aviera beech and maple chairs are available in four wood stain finishes, and metal chairs are offered in three powder-coat finishes. Tables come in wood veneer or laminate tops with polymer edges. All Aviera wood surfaces feature a silver ion anti-microbial finish that inhibits the growth of mold, mildew and bacteria.

*High traffic. Low stress.*

**\$1,066**

Aviera patient back chair with a 21" maple frame, wood open arms and grade 1 textile.

# AVIERA PATIENT

## CATEGORY: LOUNGE SEATING

### COLLECTION: AVIERA

BASE PRICE: \$1,066

GSA SIN #: 711-16

Aviera Patient chairs combine long-term comfort with a wall-saver design that angles rear legs and back away from the wall, creating an appealing visual aesthetic while preventing damage to both chairs and walls. The arm design provides support for easy ingress and egress. The 21" and 24" models have a weight capacity of 350 lbs.; the bariatric 30" model has a weight capacity of 750 lbs.

Freespan multi-seating is designed to be used for configurations of two or three seats when a reduced number of legs is preferred. Seat widths and back types must be the same, for example, three 21" seats, but not two 21" seats and a 24" seat. A wide variety of frame, seat sizes and arm styles are available. Weight capacity is 525 lbs. for the two-seat model and 750 lbs. for the three-seat model.

## FEATURES:

- Designed for high traffic areas
- Wood or metal arm and frame choices
- Clean-out space
- Steel frame construction with metal-to-metal connection
- Silver ion anti-microbial wood finishes
- Wall-saver design
- Field replaceable parts
- Bariatric seat sizes
- Arm design provides support for easy ingress and egress Multi-seating configurations
- Four wood stain finishes and three metal finishes
- Durable polyurethane arm cap in three colors (optional for wood arms)
- Optional upholstered arm inserts
- 525 lb. (two-seat) or 750 lb. (three-seat) weight capacity

## FREESPAN THREE-SEAT MULTI-SEATING

The Aviera collection was developed specifically for high traffic areas. The stylish collection includes versatile guest, patient, bariatric and multi-seating, bringing new meaning to the term customizable. Seats can be specified in 21" and 24" widths. Mezzanine and linking tables round out the offering to create an ideal solution for high-traffic entry, reception, waiting and common areas.

Aviera beech and maple chairs are available in four wood stain finishes, and metal chairs are offered in three powder-coat finishes. Tables come in wood veneer or laminate tops with polymer edges. All Aviera wood surfaces feature a silver ion anti-microbial finish that inhibits the growth of mold, mildew and bacteria.

*High traffic. Low stress.*

**\$2,229**

Aviera Freespan three-seat  
multi-seating with 21" seats,  
maple frame with wood open arms  
and grade 1 textile.

# AVIERA FREESPAN THREE-SEAT MULTI-SEATING

## CATEGORY: LOUNGE SEATING

## COLLECTION: AVIERA

BASE PRICE: \$2,229

GSA SIN #: 711-16

Freespan multi-seating is designed to be used for configurations of two or three seats when a reduced number of legs is preferred. Seat widths and back types must be the same, for example, three 21" seats, but not two 21" seats and a 24" seat. A wide variety of frame, seat sizes and arm styles are available. Weight capacity is 525 lbs. for the two-seat model and 750 lbs. for the three-seat model.

## START/CENTER/END LOUNGE SEATING

The Aviera collection was developed specifically for high traffic areas. The stylish collection includes versatile guest, patient, bariatric and multi-seating, bringing new meaning to the term customizable. Seats can be specified in 21", 24", 30" and 44" widths and there are two back types. Mezzanine and linking tables round out the offering to create an ideal solution for high-traffic entry, reception, waiting and common areas.

Aviera beech and maple chairs are available in four wood stain finishes, and metal chairs are offered in three powder-coat finishes. Tables come in wood veneer or laminate tops with polymer edges. All Aviera wood surfaces feature a silver ion anti-microbial finish that inhibits the growth of mold, mildew and bacteria.

AVIERA®

*High traffic. Low stress.*

### **START :: \$916**

The standard Aviera multi-seating start chair is a 21" maple frame with open wood arms and grade 1 textile.

### **CENTER :: \$856**

The standard Aviera multi-seating center chair is a 21" maple frame with open wood arms and grade 1 textile.

### **END :: \$856**

The standard Aviera multi-seating end chair is a 21" maple frame with open wood arms and grade 1 textile.

## LINKING TABLES

Tables are like bridges joining chairs and multi-seating elements. Connect like items together or mix it up. For instance, a table can link to a Guest or Patient chair on one side and a pre-configured, freespan, start or end element on the other. In a Start/center/end configuration a table must connect to either a start or an end. End tables have two legs, and 90°-radius and square tables have one leg.

*High traffic. Low stress.*

**\$590**

Aviera center linking table,  
maple wood veneer top and  
edge, wood legs and  
clear maple stain.

# AVIERA LINKING TABLES

## CATEGORY: LOUNGE SEATING

## COLLECTION: AVIERA

GSA SIN #: 711-11

COLLECTION FOR BASE PRICE: \$590

### 1. Appearance Information

# COMPOSIUM

## BENCHES AND OTTOMAN LOUNGE SEATING

This robust bench and ottoman collection complement all Composium® lounge seating models. Three bench sizes – plus an ottoman – provide strategic accents for a functional and modular seating solution. An optional removable cushion and 10 foot styles make these a comfortable and stylish soft seating choice. Composium is rugged and easy to maintain with field-replaceable parts and durable steel rail construction in benches that withstands tough environments. Our PatternMatch expertise insures that every chair is a perfect match.

*Perfect harmony.*

**\$951**

Composium single seat bench,  
black plastic feet and  
grade 1 textile.

# MEZZANINE

## CUBE TABLES

Mezzanine tables are available in two popular styles – cube and occasional. From the modernist cube to the transitional occasional style, these accent pieces are designed to complement any IDEON chair, settee or sofa.

Built with the highest quality veneers and hardwoods, Mezzanine tables are designed to withstand the repeated use required of high-traffic lobbies and waiting areas.

Add a finishing touch to any space with tables as distinctive as your seating.

*Get in top shape.*

**\$821**

Mezzanine cube end table  
with black plastic feet.

# NANO

## MODULAR LOUNGE SEATING

These four curated, comfortable pieces fit together seamlessly to create whatever shape you need. They can work as standalone pieces or be combined to create thousands of configurations.

*Easy from every angle.*

### **TRAPEZOID :: \$1,031**

Trapezoid with fixed glides, single upholstery and grade 1 textile.

### **TRIANGLE :: \$422**

Triangle with fixed glides, single upholstery and grade 1 textile.

### **DIAMOND :: \$610**

Diamond with fixed glides, single upholstery and grade 1 textile.

### **BOOMERANG :: \$2,439**

Boomerang with fixed glides, single upholstery and grade 1 textile.

# NANO

## CATEGORY: MODULAR LOUNGE SEATING COLLECTION: NANO GSA SIN #: 711-16

Everything about Nano is easy—it's simple to design, configure and clean—maintenance is worry-free, too. With four shapes and endless configuration possibilities, discover one smart, flexible lounge collection.

### FEATURES:

- Effortless and fun to design
- Reconfigurable on-the-spot to adapt to any space
- Dual-upholstery option for a more refined look
- Triangle and diamond shapes feature two solid surface and five laminate table top options to enhance functionality
- Mobile and easy to move, or make permanent with ganging brackets
- 400lb. weight capacity (per seat position)
- CAL 117 and CAL 133 approved
